

LETTERS FOR

Christmas

PRINTABLE COPY WORK

THANK YOU FOR YOUR PURCHASE

I am honored you have selected this copy work to help your kids understand the most important part of Christmas, Jesus. I am also so thankful you have decided to support a small business. Your purchase supports my family, and we are very grateful. This copy work are meant to be used alongside the "Letters for Christmas: Family Devotional." This copy work correlates with the daily letters in that devotional, and the printable verse cards, which can be purchased separately. If you haven't purchased those files, I highly recommend them.

TIPS FOR USING THE FILES

I want to try to make using these digital files as easy as possible. Here are some tips to print and use these cards:

- Print these pages however you like, or bind them so they are easier to keep up with.
- I have provided an extra writing sheet, incase your kids need more room to write their verses, you can print as many of those as you like to. supplement space.
- Use these to teach your child how to find verses in their Bible.
- We use the ESV translation.
- Have your kids underline parts of the verses that relate to what is happening in the letters.

These cards are a fun additon to the family devotional, and I hope you enjoy them.

ALSO, HELLO, I'M MAMA ROE!

I am a SAHM to 3 little girls. I was a teacher in a past life, and I love the Lord. I spend my days homeschooling my three girls and looking for ways to bring the gospel to life for them. It is not lost on me, that the only thing I can bring to heaven is my family. Motherhood is my mission field. I am a member of a Baptist church,

In the little time I am not homeschooling my kids, I am creating content on Instagram and Facebook. I'd love to see you there, and chit chat some more. You can find me on all platforms as @MamaRoeDesigns

“But you, Bethlehem Ephrathah,
though you are small among the clans
of Judah, out of you will come for me
one who will be ruler over Israel.”

Micah 5:2

Handwriting practice lines consisting of solid top and bottom lines with a dashed middle line. The word "NOR" is faintly visible in the background, and a pink star is on the left.
