CIVIL OR HUMANIST CEREMONY

The dramatic Boconnoc House, beautiful 18th Century Stable Yard, Bath House or Dorothy Garden can be used for your civil ceremony for up to 200 guests. A humanist ceremony can be held on the lawns in front of the house, down by the lake or by the Celtic cross; the possibilities are endless. We also include use of our beautiful rustic cross back chairs and a table for your registrar or celebrant to use.

CHURCH WEDDING

The historic church seats 240 people but is equally cosy for a smaller wedding. Keep an eye out for some of the unique aspects of the church, including the minute detail on the stained glass window, said to be Pre-Raphaelite.

WEDDING BREAKFAST

With windows on three sides, light pours into the Garden Room which seats 100 guests. This space opens on to a wisteria filled terrace which can be covered with a marquee if you require up to 240 guests.

DRINKS RECEPTION

In the sunshine the lawn is perfect for drinks. Get the champagne on ice and let your guests absorb the spectacular views whilst nibbling on delicious canapes in the warm sun.

Alternatively, the elegant and spacious Drawing Room with its ornate plasterwork and modern art provides the perfectly sophisticated space to clink glasses.

THE PARTY

Whether you want a swinging band or a DJ to get the party started, the Smoking Room is the best spot. With its red walls and solid oak features, this room creates the perfect nightclub effect; just add mood lighting and your dancing shoes.

FOOD & DRINK

Caterers

We ask that you choose one of our recommended caterers so we can guarantee you an exceptional wedding breakfast.

Drinks

You can provide your own wine and champagne for your drinks reception and wedding breakfast. For the evening reception the Boconnoc bar will open, where your guests can purchase drinks or you can put money behind the bar.

COTTAGES

There are three beautiful cottages next to the house in the Stable Yard, each with their own charming character and contemporary interiors. The ample accommodation means that most of your wedding party can stay onsite, which is perfect for those travelling down for the weekend.

GLAMPING

For further accommodation why not consider setting up a tented village in our Dorothy Garden. Some facilities are available in the Stable Yard and depending on numbers we may recommend hiring in additional loos and showers.

ACCOMMODATION

Boconnoc sleeps 40 of your guests across the main house and three cottages in the Stable Yard, all featuring beautiful interiors by Sarah Fortescue. There is also ample space for Glamping in our Dorothy Garden.

BOCONNOC HOUSE

The main house can sleep 18 guests. Each twin or double room has its own bathroom and we recommend you choose the King's Bedroom for your wedding night which has dramatic palladian windows looking out across the park.

MAKE A HOLIDAY OF YOUR WEDDING

To make the most of all Boconnoc has on offer, speak to our team about extending your stay.
