The Venue

BUTCHERS' HALL

Welcome to the wonderful world of wedding planning!

Congratulations and thank you for enquiring with Butchers' Hall. Located in the heart of the exciting Barts Square development, Butchers' Hall is at the absolute centre of a modern and beautiful part of the City. Following a huge refurbishment project, the hall reopened in September 2019 as an event venue and provides a range of versatile spaces with the addition of a stunning roof garden offering fantastic views, as well as state of the art AV & lighting and dedicated fibre optic broadband.

Butchers' Hall has, however, maintained its charm, enshrined in history and tradition and together with Bovingdons Catering delivers a phenomenal standard of service one would expect from a stately establishment such as this.

A perfect balance where past meets present.

About Bovingdons

Founded from a love of good food, Bovingdons started in 1987 with a small team of passionate people at a kitchen table in Victoria. We have come a long way from humble beginnings, though the kitchen is still the heart of everything we love to do and is led by our incredible Michelin trained head chef and his unbelievably talented team.
