

HELEN WEIR

P H O T O G R A P H Y

“

Helen is absolutely phenomenal at what she does. We met lots of photographers before Helen, & the only way I can describe our first meeting, was like we had known her all along. She was warm & full of personality!

She always kept us informed with what was going on & what needed to be done. On the morning of the wedding she was my saviour! Whilst getting ready, she was already on top of preparing the shots she knew I wanted. You wouldn't even know she was there, half the shots I was unaware she had taken, & the raw emotion she captured was amazing.

Both the posed, & candid angles look beautiful. Seeing how full of life Helen is, it's clear to say that on my wedding day, she became part of our family, & consequently, a part of our wedding. I'm extremely grateful to her for that. Her work is her passion & it shows.

CAPTURING MOMENTS

MY STORY

About Me

I know that you can't see me right now, but imagine I'm sitting across from you at your favourite coffee shop with a big grin on my face & a delicious beverage in hand. And imagine we're about to get to know each other really well.

Not only am I a full time, professionally trained wedding photographer, I am also a mum of two gorgeous girls. Family & friends are a very important part of my life.

Photographing couples, their family & friends is a complete dream for me. Being able to capture the emotion between the couple is a real perk of my job.

I also love photographing all the carefully planned details of the wedding, as well as those unforgettable moments that simply must be captured for posterity.

It is my aim to ensure the happy couple feel as if they have a friend photographing their wedding. The ability to laugh, smile & chat together creates a great bond between a couple & their photographer.

Helen

Dance like no one is watching,
Love like you've never been hurt,
Sing like nobody's listening
Live like its heaven on earth.

WHAT TO EXPECT

MY APPROACH

ENGAGEMENT SHOOT

An engagement shoot is fun. You get to pamper yourself, dress up & the best part, snuggle & kiss your best friend for a good hour or so.

It is a great opportunity to get to know me & how I work. Your photos will be more natural on the wedding day as you'll know what to expect.

Many couples I photograph tell me that their engagement shoot allowed them some time to get close, something they miss during the fast pace of everyday life. So lovely to be able to capture those moments.

Engagment photos are also used for save the dates, wedding invitations, thank you cards post-wedding & signing frames.

Helen captured truly wonderful images of our wedding.

She is creative, energetic & thoughtful,
taking the time beforehand to ensure she knows
what you want on the day.

We, our friends & family are delighted with her work.

Highly recommend.

BOOKING YOUR DAY

THE PROCESS

VIEW

MY PORTFOLIO

You've probably been checking out lots of different photographers in this process - That's great!

My work has a very specific style and artistic direction, focusing on timeless romantic weddings and couples who want an artistic piece of art created to capture their day.

I really want to make sure that my work is the perfect fit before you book me for your day! Have a good look at my portfolio to get a sense of what to expect when working with me :)

MEET

& GET ACQUAINTED

I'm all about real, authentic moments & honest, heartfelt relationships.

Which would you prefer: A stranger sharing the most important parts of your wedding day - or a friend?!

Before I book with any couple we'll have a conversation, meet for a cup of coffee or facetime/zoom, and just get to know each other.

You can ask any questions you may have, figure out how we fit together and whether my style is right for you.

BOOK!

SAVE THE DATE

Once we've gotten to know each other, we can book in the day officially. Most of my clients book at least a year in advance as my calendar fills up very quickly.

If your date is sooner, let me know - There is always a chance I'm still free!

To guarantee your date I require a signed contract & 50% deposit.

Once you're ready just let me know and I'll send through the contract & payment info.

“When we first met Helen to discuss our plans, we knew instantly she was the one.
Helen is a bubbly, friendly person who you instantly warm to.

Helen made everything so easy for us.
She was professional, knowledgeable, reassuring, gave great advice
& was genuinely as excited about about our big day as we were.

Helen on our big day took control of everything
so we didn't have to worry about a thing.

Helen guided us through the day on where to stand
& knew the best poses capturing some fantastic pictures.

After the wedding when we first saw our photos, we were blown away.
The story they told & the quality was amazing.

We had horrendous rain on our wedding day but you would never know
& this is all down to Helen's professional photography work!

FAQ

HOW MANY WEDDINGS DO YOU PHOTOGRAPH?

I LOVE what I do, and put my heart & soul into every wedding I'm lucky enough to photograph. Because of the amount of time & individual focus I want to put into every wedding, I have to limit the number of bookings I take per season to 25-30 annually. This way every wedding receives all the attention and time it deserves.

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

I create bespoke packages for many clients. Your wedding photos will be the ONLY thing you have left to remember your day, so I definitely recommend capturing the ENTIRE thing, instead of just a couple of hours. However I totally understand budget & will always try to accomodate fewer hours during non-peak times.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Post-processing is the most time intensive part of your wedding as I work hard to ensure every image meets my artistic standard. Every photo has my custom look applied, & is adjusted for things like brightness and optimal color.

I'M READY TO BOOK! WHAT'S NEXT?

AMAZING! I can't WAIT to get to know you & am so thrilled you've chosen me! To book I require a signed contract & a 50% booking fee.

Dates cannot be reserved until these have been received.

Contact me today for full information.

HOW LONG DOES IT TAKE TO EDIT MY PHOTOS?

I never want to compromise on quality in a rush to finish faster, so your contract will state it may take up to a maximum of 12 weeks in busy periods. However, I endeavour to get them to you as soon as I can, as I know that you will be eager to see them.

EXTRAS

Albums start from £400
