

Camel Studio

# WELCOME

Camel Studio is a beautiful, light-filled barn overlooking the rolling hills of the Camel Valley – in an Area of Outstanding Natural Beauty. From the moment you arrive, you'll be able to picture your magical wedding in this unique setting. Let us show you all we have to offer...

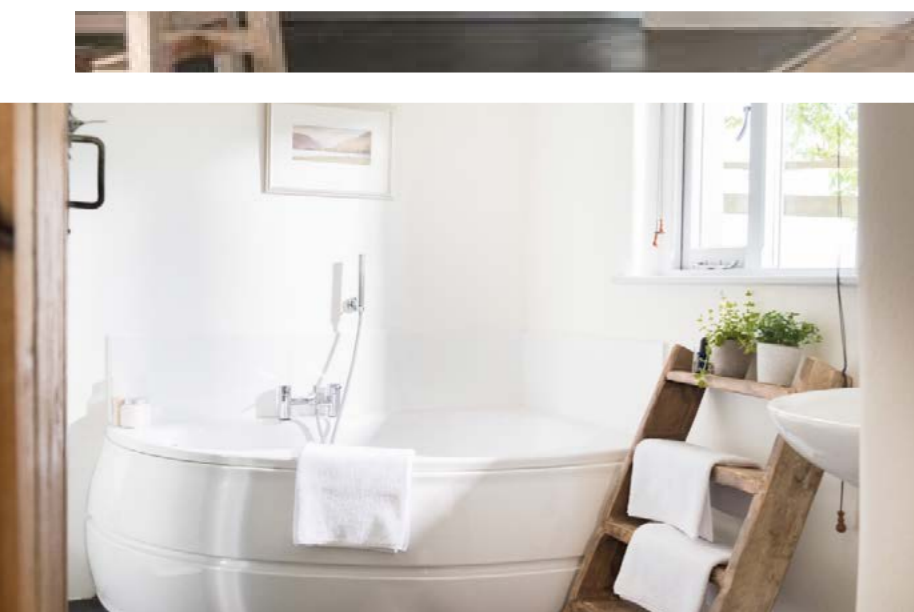

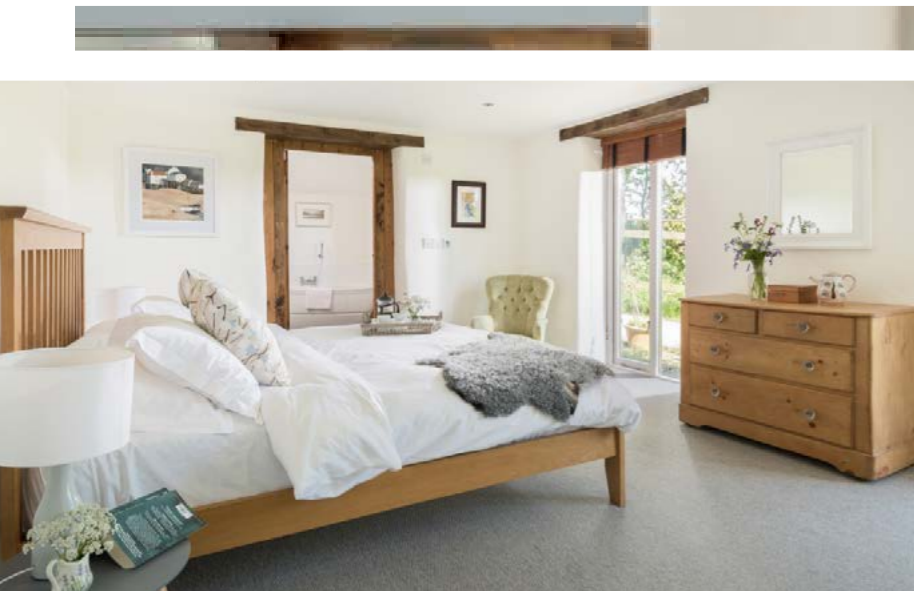

A wedding reception setup in a bright, modern room. The room features several long white tables arranged in rows, each with a light-colored fabric runner. The tables are set with white plates, glasses, and small floral centerpieces. Wooden chairs with a curved back and a light-colored seat are tucked under the tables. In the background, a dark wooden grand piano is visible, and a large window on the left side of the room offers a view of greenery outside. A tall, thin tree with warm-toned lights is positioned in the background on the right. The overall atmosphere is elegant and rustic.

Venue owners Helen & David will have worked with you to create your dream day and will be there to take care of the finer details. All that will be left for you to do is raise a glass as newly-weds.

A bride and groom are walking down a white aisle at an outdoor wedding. The bride is on the left, wearing a white sleeveless gown with a large bow at the waist and a long veil, holding a bouquet of white flowers. The groom is on the right, wearing a dark blue suit and a white shirt with a dark tie, with a boutonniere on his lapel. They are holding hands with two young boys. The boy on the left is wearing a blue blazer and dark shorts, and the boy on the right is wearing a white shirt and dark shorts. They are all smiling and walking on a white aisle runner laid on a grassy lawn. In the background, there are guests seated at tables under a large white tent. The scene is bright and sunny.

# LET'S DANCE

As twilight slowly gives way to the night, a magical atmosphere will descend on your celebrations. Flickering candles and twinkling festoon lighting will set the scene for an enchanted evening ahead and, as your feasting tables are cleared away, the studio transforms into a space to dance the night away. Whether you choose a DJ, live band or your favourite tunes played from our surround sound system, be sure to bring your dancing shoes.

A bride and groom are the central focus, celebrating at night. The groom, on the left, is wearing a white shirt, a dark vest, and a dark tie, and is holding a lit sparkler high in his right hand. The bride, on the right, is wearing a white lace wedding dress and has her mouth wide open in a joyful shout, with her right arm raised. They are surrounded by other guests, many of whom are also holding and lighting sparklers, creating a bright, festive atmosphere against the dark night sky. The background is filled with the soft glow of many sparklers, some held high and others lower, creating a bokeh effect of light points.
