# Onsite Accommodation

## **Have all your guests stay under one roof on the night of your wedding!**

Ample accommodation is not something every country house wedding venue offers. It is even rarer to be able to stay overnight in a historic gothic castle. At Craig-y-Nos you and your family, relatives and guests can party until the early hours – staying under one roof.

Why worry about guests having to get home again or try to find somewhere not quite as special that is 'local' to you?

Wherever you marry, your guests and family will come from many locations. It is a major benefit to be able to accommodate everyone under one roof – and at very reasonable rates.

**Ceremony, reception, party and accommodation  
all under one roof!**

***Brides Comment:***

*"The accommodation was also to a very high standard and possessed a certain charm which is deeply lacking in most modern chain hotels. The bridal suite was fantastic, the bed was plush and having a roll top bath that overlooks a forest is a luxurious bonus. It compared rather better than the five star spa hotel we stayed in on our mini-honeymoon."*

# Wedding Planners

**Experienced, dependable, reliable wedding planners  
to ensure your special day runs smoothly**

Long-term wedding planners with this level of practical hands-on experience are a real – and rare – asset. We always have positive feedback for staff at the Castle. They will ensure everything you need to do on the day is catered for, from your initial enquiry to the day of the wedding.

**Experienced wedding planners ensure your special  
day is a resounding success.**

***Bride's Comment:***

*"The staff are second to none. We were assigned a wedding planner when the wedding was booked and she was indispensable throughout the process. She was friend, supporter and comforter to us all. She took all the strain from us and nothing was too much trouble for her. All the staff were welcoming and helpful."*

## **Have your wedding in a magical castle.**

Because we are seen as a grand 'castle', people think we have prices to match. But when you start to compare our standard rates with any of the local country house style venues (and other venues generally), you'll find our tariff works out a lot less than you might expect.

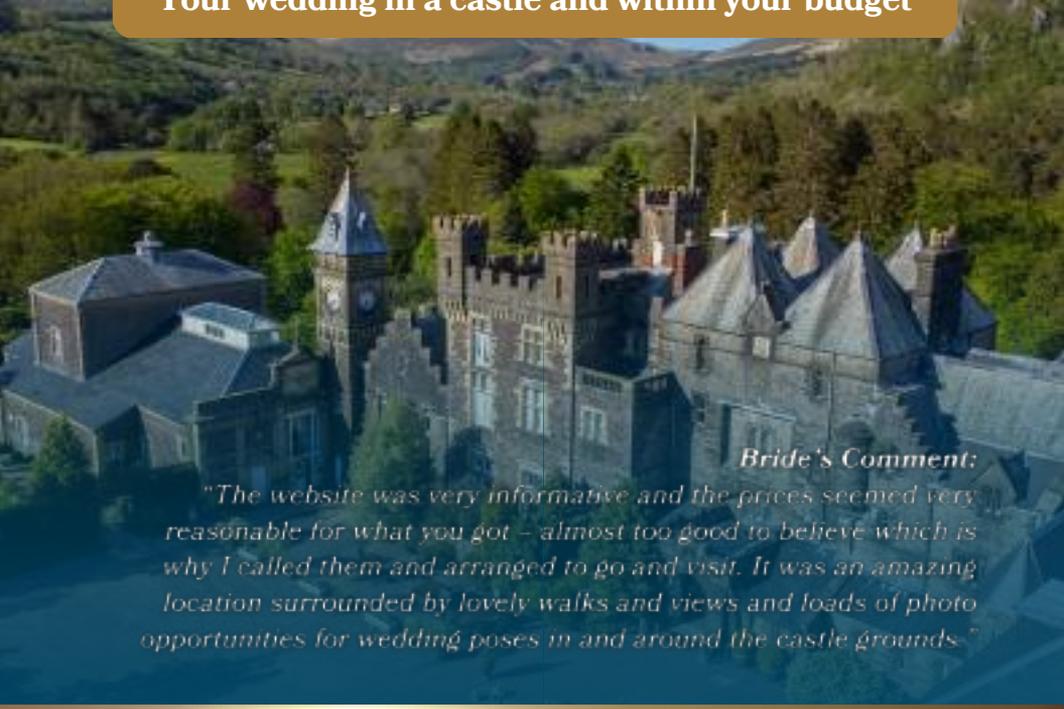

**If you are from London or Cardiff etc, be ready to make great savings just on our standard tariff.**

**We offer good value on our ordinary tariff compared with weddings in cities and compared with other prestigious rural venues, plus there are excellent savings on our package deals.**

**Your wedding in a castle and within your budget**

***Bride's Comment:***

*"The website was very informative and the prices seemed very reasonable for what you got – almost too good to believe which is why I called them and arranged to go and visit. It was an amazing location surrounded by lovely walks and views and loads of photo opportunities for wedding poses in and around the castle grounds."*

# The Location

The Brecon Beacons National Park is among the most beautiful regions of the UK. Our location enjoys scenery that just cannot be offered in a 'town' venue.

Just 25 minutes drive from Swansea (45 minutes from Cardiff and 3 hours from London), and you enter another world – one of peace and tranquility, of snow capped mountains in winter, and lush green valleys and sheep dotted mountains in summer.

- **Stunning scenery for photographs**
- **Lovely walks in gardens and country park**
- **Views over countryside and mountain scenery**
- **Your photos against the backdrop of a historic castle**
- **A classic grade-one listed theatre and conservatory – yet more photo opportunities!**

 **Craig Y Nos**  
CASTLE

## History and Romance – the theatre at Craig-y-Nos

### ***Bride's Comment:***

*"The theatre was the most perfect scene for our marriage ceremony and the acoustics were amazing as we had harpists, pianists and singing. Altogether the experience brought more than a few tears to the entire congregation along with the bride and groom. Our day would have been wonderful wherever it was as it was our wedding day ... but the Castle made all our dreams come true and our day was complete."*

# The Patti Theatre

Your wedding will be linked to both royalty and the arts when you get married in Wales' only licensed grade-one listed theatre. Craig-y-Nos Castle was owned by a famous opera singer, Madam Adelina Patti.

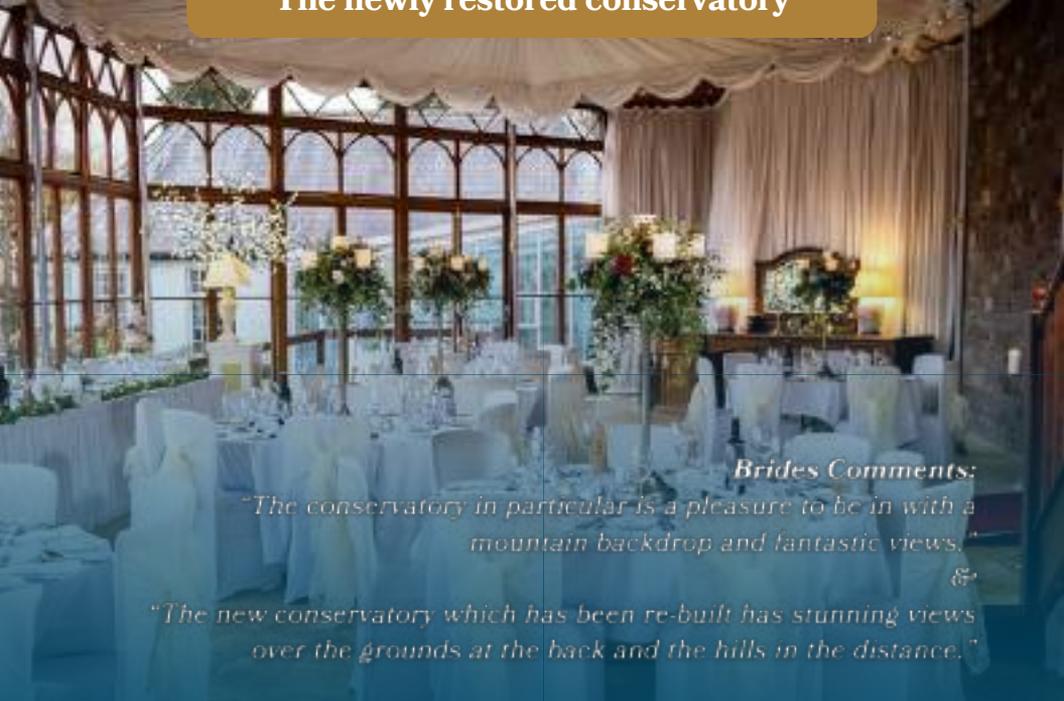

She built herself a small private opera house to entertain royalty from all over Europe. Today Craig-y-Nos Castle's stunning theatre offers a unique venue in which to take your marriage vows. Nothing quite compares with the Patti Theatre.

**Historic grade-one listed opera house for your wedding ceremony!**

## The newly restored conservatory

### **Brides Comments:**

*"The conservatory in particular IS a pleasure to be in with a mountain backdrop and fantastic views."*

*&*

*"The new conservatory which has been re-built has stunning views over the grounds at the back and the hills in the distance."*

## The Conservatory

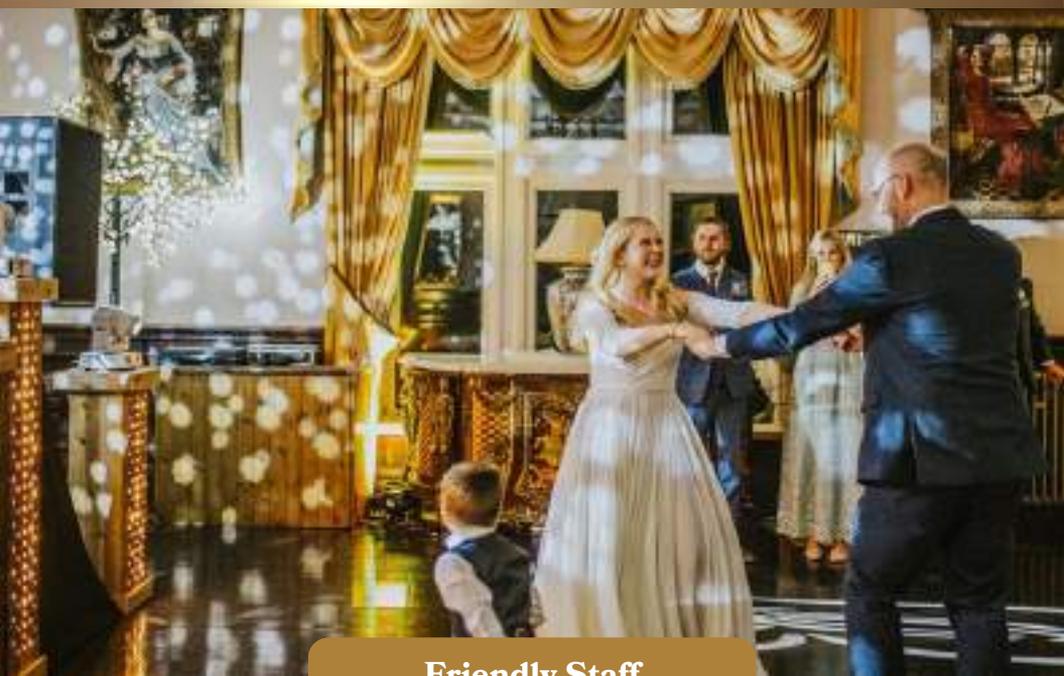

### **Ever fancied a marquee wedding but with stunning views?**

With its white canopied vaulted ceiling, the roof is like a marquee, but there the similarity ends. For, with most marquees, you cannot see much out of them. The conservatory at Craig-y-Nos Castle has dramatic floor to ceiling mahogany framed windows running the length of the building, affording views over the terraces down into the valley.

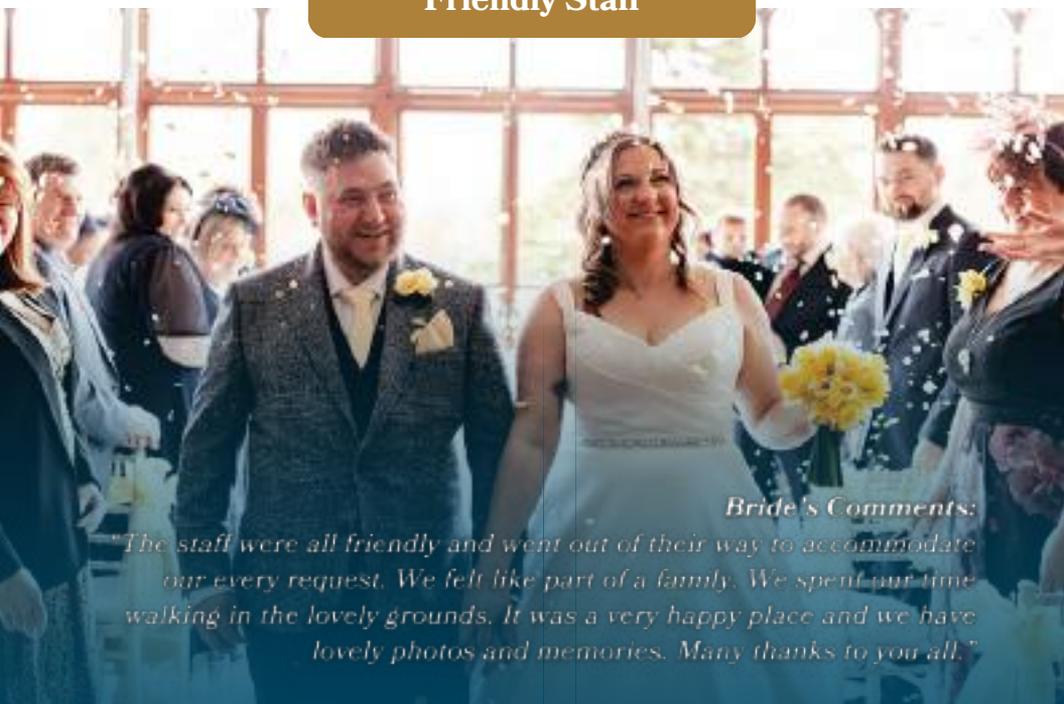

**Below you are the rushing waters of the winding River Tawe and above and into the distance, uninterrupted views of mountains – the Brecon Beacons.**

**A recent survey of couples marrying at Craig-y-Nos showed over 50% chose Craig-y-Nos because of the conservatory and its views!**

## Friendly Staff

### *Bride's Comments:*

*"The staff were all friendly and went out of their way to accommodate our every request. We felt like part of a family. We spent our time walking in the lovely grounds. It was a very happy place and we have lovely photos and memories. Many thanks to you all."*

## Friendly Staff

### **Staff with a wealth of experience who will ensure your day runs smoothly.**

Many comment how friendly people are in South Wales and the staff at Craig-y-Nos are no exception. Most have worked here for many years and have come to regard the Castle as a second home. Those who work here choose to be here and this really makes the Castle a welcoming and homely place for our guests.

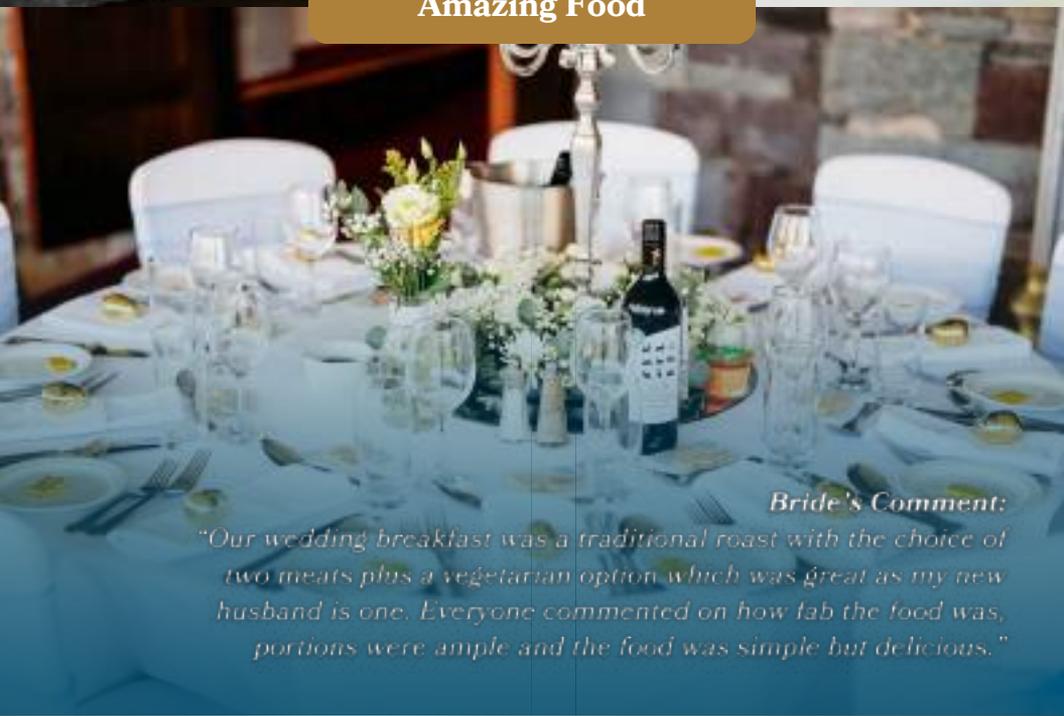

The Castle does not try to be 'grand' or 'posh' – rather it is a relaxed and informal place where wedding couples and their guests can feel at ease and at home.

But beneath the informality is a wealth of experience, based on many years of service, that will ensure your day runs smoothly.

**Amazing Food**

***Bride's Comment:***

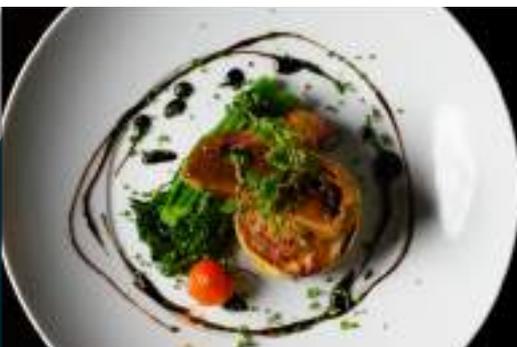

*"Our wedding breakfast was a traditional roast with the choice of two meats plus a vegetarian option which was great as my new husband is one. Everyone commented on how fab the food was, portions were ample and the food was simple but delicious."*

**Food always hot and presented beautifully!**

Many venues charge a fortune for the wedding breakfast but fall short on either quantity or quality. That is not something that will happen at Craig-y Nos. Portions are generous to a fault, and the quality of the wedding breakfasts and buffets is consistently praised by wedding guests.

Wedding breakfasts can be served either in the function room or the conservatory. Morning breakfasts will tend to be served in either room that is not booked for the wedding.

***Bride's Comment:***

*"The wedding breakfast was exceptional, so a big thank you to the chef and his team!"*

CASTLE

**Accommodation**

Craig-y-Nos Castle is situated between Swansea and Brecon, within the Brecon Beacons National Park.

Weddings are our speciality, with a wide range of wedding packages on offer. We are the only venue in Wales to allow you to get married in a grade 1 listed theatre and hold your ceremony in a 'real' castle. All wedding guests staying in the Castle are offered a full English breakfast.

We are able to provide guests with a wide range of accommodation to suit their budget. We offer bed and breakfast on continental style midweek and a full English breakfast at weekends.

As a venue we are able to hold conferences, events and take group bookings when we will also be serving a full English breakfast.
