Some Kind Words

We take much pride in the feedback we receive from our wedding couples.

Tade & Tom

The service provided was exceptional and all of the staff were so attentive, not only in the lead up to our special day but also during the day itself. They ensured everything ran smoothly and it was so lovely to see that every one of the staff also enjoyed our day with us. All of this was made possible due to the hardworking staff at Downham Hall. Due to the second lockdown we moved our wedding forward by two days and without Downham Hall being so accommodating, our day wouldn't have been able to go ahead. Downham Hall went above and beyond for us, we cannot thank them enough and we cannot wait to come back!

We would recommend Downham Hall to anyone looking for a personalised and unique wedding venue. From their decor, food and picturesque settings - you really can't beat it!

Coral & Danny

Our day was absolutely magical and we have to give thanks to everyone at Downham Hall for making the day run seamlessly, we could not fault anything. On our first visit we completely fell in love with the venue and the wonderful family run business. We had Dawn as our wedding coordinator and she is just fabulous! Absolutely wonderful lady who helped me so much throughout the whole process, always made me feel calm and always took time to reply to any mad or little questions I had. Every single one of our guests thought that the venue was stunning, it really is beautiful. There is no other place I could ever dream of having that would be more perfect than Downham Hall.

Courtney & James

The venue and grounds are absolutely stunning, our family and friends are still talking about how beautiful Downham Hall is. You completely forget where you are, even though you are so close to local towns and easy transport links, you feel like you're miles away, surrounded by all the beautiful countryside! Our bedrooms were lovely, we had everything we could ever want. Thank you to Dawn, who played a big part in giving us our dream day, always friendly and kept in touch all of the time. We would recommend Downham Hall to anyone looking for a perfect venue for their dream wedding!
