Exclusive spaces for you and your guests

Nestled in leafy Edgbaston, you'll find two of the most beautiful wedding venues in Birmingham: a charming historical house and a bright, contemporary suite. Our stunning spaces are at the heart of our wedding packages, which are expertly designed to turn your dream day into reality.

Whether you're eager to have an intimate celebration with your closest friends and family or throw the party of a lifetime, our fabulous wedding venues are guaranteed to deliver a magical experience.

Simply choose from one of our luxury wedding packages and menus – or make your day extra special with a tailor-made experience – and we'll take care of the rest.

Hornton Grange

Historical charm awaits in this characterful 1928 building. Originally a family home, it's been lovingly restored with boutique touches alongside its period features.

You'll have exclusive use of the whole venue, views of the private landscaped gardens, a private bar and six luxury bedrooms. Hornton Grange is licensed for ceremonies.

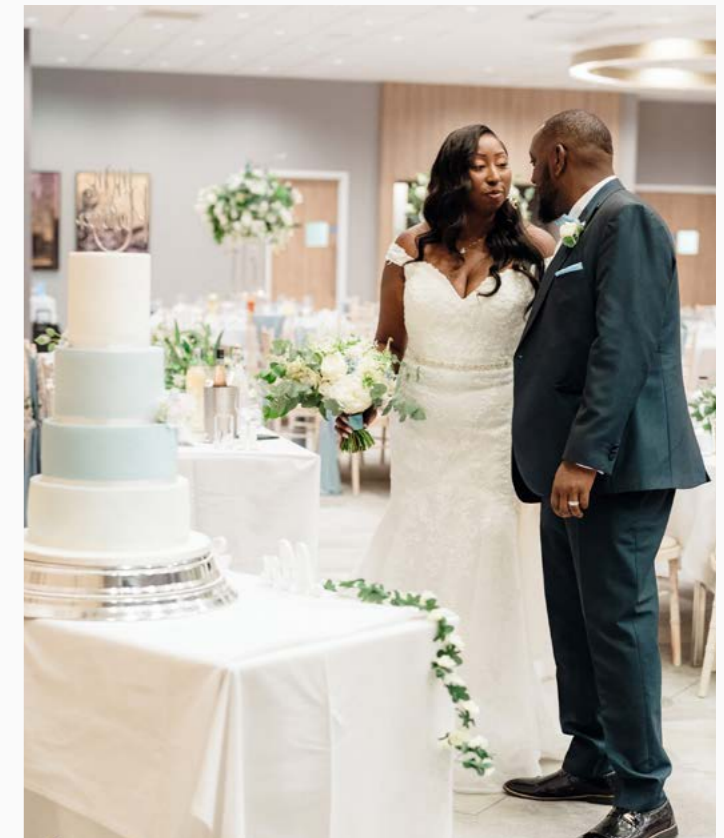

The Fry Suite

Bring contemporary style, space and personality to your special day. Ideal for larger weddings, the Fry Suite's subtle palette means you can really make it your own, with colour, décor and theming that's just right for you.

Your wedding meal can be provided by our own catering team or, if you'd prefer, one of our approved external caterers. You'll also have your own private bar.

Make a weekend of it

Your Hornton Grange wedding package includes a romantic night's stay in a double luxury room with original features and bespoke furniture. You'll have exclusive use of the other five bedrooms, including those suitable for families.

Book the Fry Suite package and you'll enjoy a night in a spacious executive king, including bathrobes, slippers and space to unwind.

With 185 bedrooms and three serviced apartments on site, there's plenty of room for your guests to stay too. They can relax into the evening, sleep soundly, and enjoy breakfast with you the next morning. Parking is free for all guests.

Why not book your wedding party rooms the night before your big day?

Tuck into a private dinner or buffet in the evening and wake up relaxed, refreshed, and ready to celebrate. Start your day the right way with a full English and continental breakfast, before sipping glasses of bubbly as you get ready for your grand entrance. And, with all our bedrooms just moments away from our venues, you can relax knowing you won't be late.

We can hold bedrooms at our special wedding rate on a no-obligation basis, up to six weeks before your wedding. We'll extend these rates to you the night before and after, so you and your guests can relax and feel at home.
