

HALL FARM WEDDINGS

A unique DIY wedding venue in the
heart of the Norfolk countryside.

Welcome to Hall Farm.

Your Wedding, Your Way.

Hall Farm offers the ultimate blank canvas venue so you can personalize your whole weekend. We only offer our venue for a limited number of exclusive weddings each year.

Take over the whole site for your wedding weekend, with self-catering cottages on site to accommodate 44 guests, and further camping facilities.

Your Ceremony

At Hall Farm we are licenced for your legal ceremony, or you may wish to have a non-legal wedding celebration with a celebrant

With 3 locations at Hall Farm to pick from for your ceremony you are spoilt for choice.

The Wooded Lake

This is our most popular location for a romantic ceremony. This magical setting has many options, whether you would like to say your vows on our island, with the lake as the backdrop or with friends and family seated around you.

The Water Meadow

With unspoilt views across to the River Ant, the Water Meadow is ideal for larger guest numbers.

The Barn

Perfect for smaller guest numbers, you can decorate the barn however you wish.

Weekend Celebration

You will have exclusive use of the whole site from Friday through to Monday giving you lots of time to relax and enjoy your very special celebration. This includes all the accommodation.

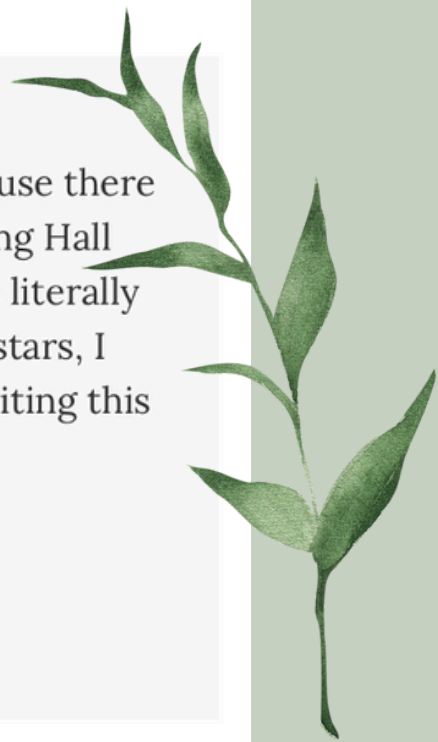

Whether you want to plan a welcome BBQ on the Friday evening, a Sunday stroll on one of Norfolk's famous beaches, a boat trip or a survivor's brunch we are on hand to help and advise you. With a stack of local connections, we will help you with ideas and logistics to make sure you have your dream wedding.

"It's very hard for me to write this review because there are almost no words to describe how amazing Hall Farm, & particularly Hannah, is. Hall farm was literally perfect for our wedding. If I could give 100 stars, I would. I'm actually getting kinda emotional writing this because it was that good!"

Marquees

We have an incredible team of trusted marquee suppliers we ask that you pick from. You can then use this for your wet weather ceremony option, your wedding breakfast and your evening party.

As you have exclusive use of the whole site for the weekend, why not use your marquee to host a Sunday chill out as well?

Accommodation

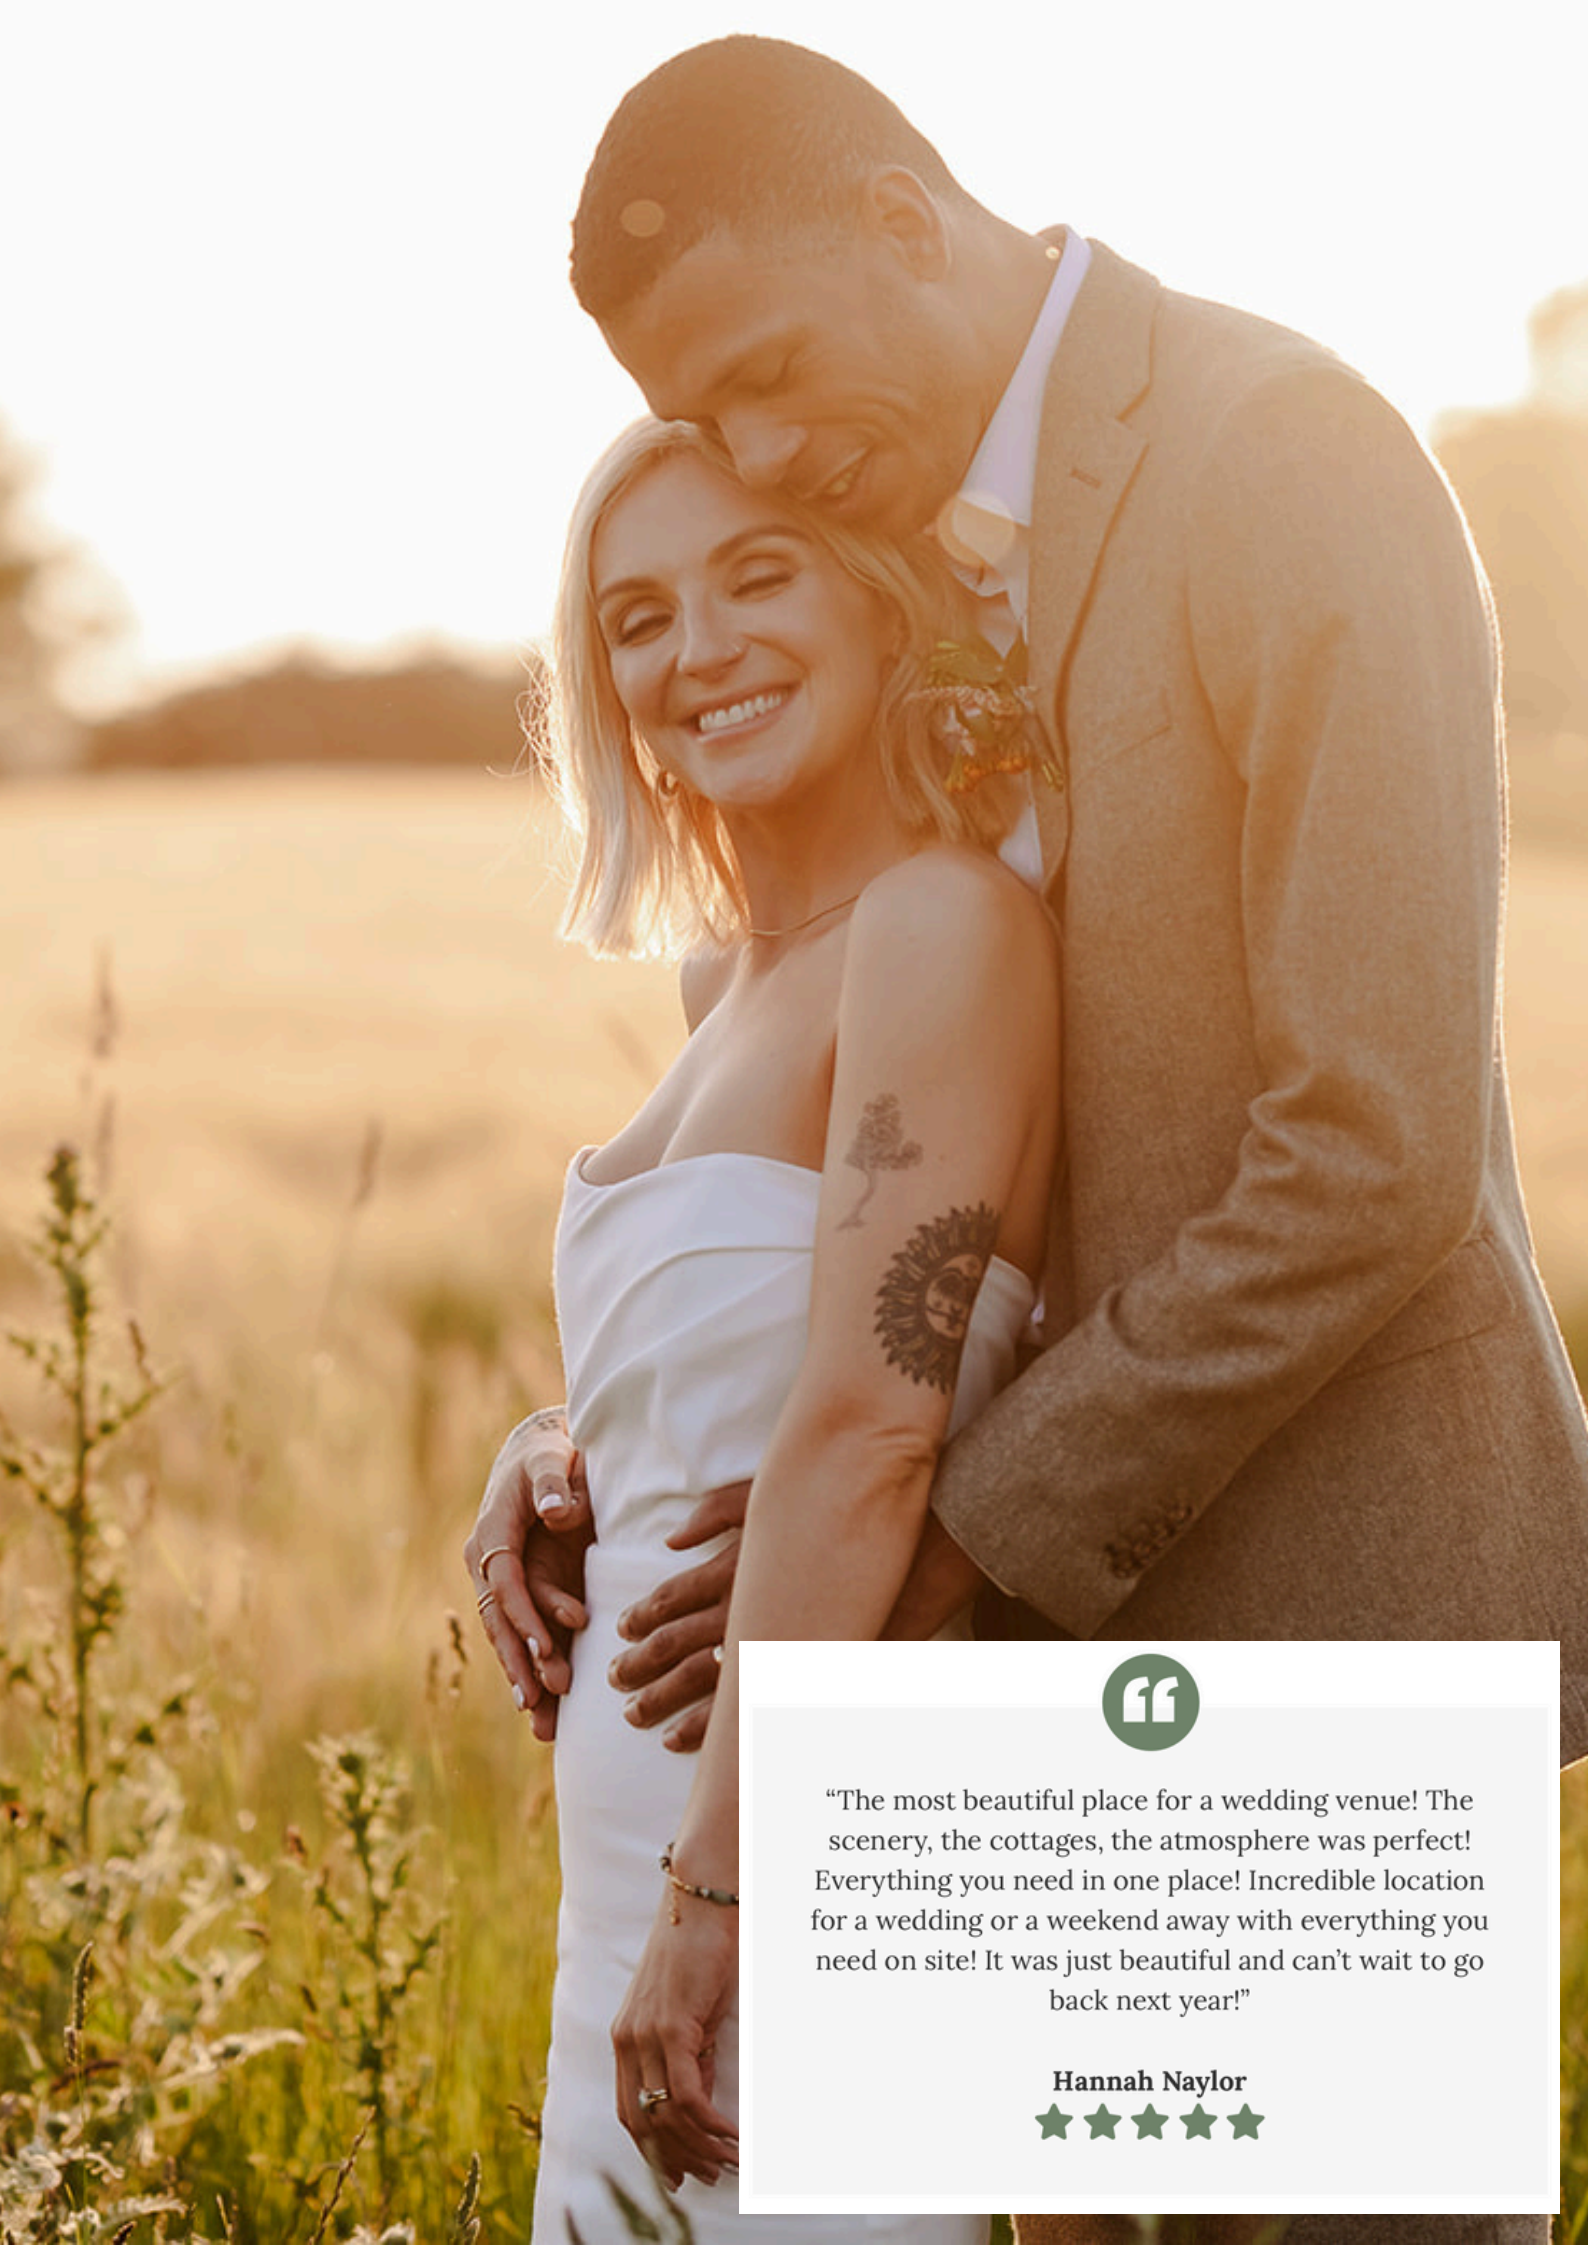

Our comfortable and well-appointed cottages are all included in your hire fee for three nights. Perfect for sleeping 44 of your family and friends. We also have glamping options. And if you wish to camp we have some capsites very close by that we can put you in touch with.

All of our accommodation can be fully adapted for any guests with mobility issues. We are also a dog friendly venue and welcome your furry friends.
