ABOUT THE CLUB

Sailing history and tradition come to life at the Little Ship Club, through its architecture, décor, ambience and amazing riverside location on the banks of the Thames. The club's rooms benefit all occasions, and there are show-stopping river views to be found throughout.

On the 5th of November 1926 at the Ship Restaurant in Whitehall 27 enthusiasts met and the Little Ship Club was formed.

The Little Ship Club was founded by this group of yachtsmen for the purpose of providing training and lectures over the winter months. The club operates from its riverside clubhouse at Bell Wharf on the River Thames, and is the only one operating from within the City of London.
