# Venue hire

*at Stowe Gardens*

# From romantic temples and beautiful courtyards to smart conference spaces and grass filled paddocks; the perfect event location awaits you at Stowe Gardens.

Stowe's 250 acre garden is the creation of many 18th century landscape designers, architects and craftsmen. A towering achievement that still influences garden design today. Ideal for wedding ceremonies, stunning photoshoots and historic filming.

In contrast to the grandeur of the gardens, Stowe's New Inn offers a more modest option. Used as both an Inn and farm before being fully restored by the National Trust in 2012, this space houses modern cafe facilities, a welcoming conference room and rustic courtyards.

We offer all of our spaces on a dry hire agreement meaning that the sourcing of tables, chairs, lighting, catering, marquee hire, and music are for you to arrange. Allowing you to fully design your event from the ground (or temple!) up.
