# YOUR SPECIAL DAY

STJOHN'S

St John's : Here for You

When you book St John's Waterloo for your wedding, the venue's event spaces become exclusively yours along with direct access to a beautifully manicured garden which truly is a gem in central London. We realise a venue is not the only thing you need for a successful event. Therefore, venue hire also includes:

- Your own dedicated event manager
- Access to the venue as often as you like, by appointment or by invitation
- Access to our book of most loved London suppliers
- Professional team to ensure the smooth running of your day
- Our undivided attention, guaranteed

St John's combines a subtle neo- Classical sensibility with the best of contemporary architecture to provide a stunning and sustainable backdrop for your event.

Carefully restored, this magnificent Grade II\* London landmark is an exciting venue on London's iconic South Bank

St John's Waterloo is one of London's most unique and sustainable venues.

Your venue hire contributes to St John's numerous ways of fundraising for the maintenance of the church and gardens and continuation to support the surrounding community. This means your event will help with the preservation of a carbon zero Grade II listed building, and the conservation of this historic church.
