

The Night Yard

An award-winning wedding and events venue situated
in the heart of the Kent countryside.

The Night Yard is an award-winning wedding and events venue situated in the heart of the Kent countryside.

Built to house cattle overnight, The Night Yard situated just outside of Canterbury, was transformed into a wedding and events venue in 2014, preserving the history of the building.

About Us

The team at The Night Yard pride ourselves on our flexibility.

We provide a neutral palette, allowing you to dress the venue as little or as much as you like to create the wedding of your dreams.

With access to our portfolio of handpicked suppliers and an array of bespoke drink packages provided by our in-house bar team, your day can be made to suit you.

Our team of wedding experts are on-hand from the moment you book all the way through to adding the finishing touches, to help you co-ordinate your special day.

Your Day, Our Venue

Our licensed venue allows for your choice of an indoor or outdoor wedding ceremony.

The Courtyard

Our outdoor wedding ceremony is held under the eaves in our intimate courtyard, with your guests sat on the beautiful open lawn space.

Our unique set-up allows for the possibility to walk down the aisle together using our two gated entrances.

The Courtyard can then transform into an area for your guests to enjoy drinks and canapes post-ceremony, before heading into the Glasshouse for your wedding breakfast.

Your Day, Our Venue

The Glasshouse

Our stunning Glasshouse is our indoor option for your ceremony.

It then transforms into your wedding breakfast room for up to 140 seated guests, with space for a further 100 extra guests for the evening party.

There is direct access to our rustic undercover bar, vintage 'chill out' corner and The Gallery, with vaulted beamed ceilings and large bright French doors throughout.

Both the Courtyard and the Glasshouse are perfect locations to say 'I do'.

Once your guests have arrived at The Night Yard, you can close the doors to your very own exclusive and private space.
