Why Choose Us?

In a city where wedding venues range from sleek city hotels to grand garden spaces, the Plough & Harrow offers something rare – the romance of a **country house atmosphere** combined with the **convenience of a central location**.

Compared to modern hotels, our **historic character** and **green lawns** offer charm and photo opportunities that can't be replicated in glass-and-steel spaces. Unlike exclusive botanical venues, we offer year-round comfort with both **elegant indoor rooms** and **garden settings**, without the premium price tag. And for those who value personal service, our **wedding team** is dedicated to one wedding per day – *ensuring your celebration is the sole focus.*

Your Perfect Wedding Day

We specialise in weddings for up to 100 guests, blending timeless style with modern comfort.
