WELCOME

FROM THE FAMILY

Our vision for The Post was to create a spectacular wedding and events space combining the traditional hand-crafted character of a barn with contemporary architectural design, quality and technology.

We are thrilled to be sliding The Post's expansive glass doors open to you. Just a short stroll up from Donnington Valley Hotel, Golf Club & Spa, with beautiful views and stunning bar, the stage is set to host and tailor your special occasion to your own needs, whatever the reason or season.

We used local suppliers throughout the build and they surpassed our expectations – it's one thing looking at plans but another to see the finished result in all its glory – and we hope that you love it as much as we do!

Made with love,
The Michael family

We know that you can't wait to make an entrance, and boy, do we have one for you. Arrive with your entourage in a Bentley, a golf buggy, on a horse, or simply walk over the manicured lawns to a courtyard arrival and stairway entrance.

A CLASS OF ITS OWN

At The Post we have a variety of options for your ceremony, inside or outside. Inside the striking Post room will have your guests in awe. Outside you can be married under the dramatic arch, or if you prefer, under the Pavilion on the green. Only one wedding will ever be taking place – and that's yours!

Our wedding licence is for a maximum of 150 guests in the daytime and 200 in the evening. Our barn hire includes exclusive use of the barn and grounds all day until midnight. Or 1am for those of you who like to party...

Inside or out, we are prepared whatever the weather.

A PLACE LIKE NO OTHER

When you are official, it's time for the photographs. We offer fabulous manicured lawns with a countryside backdrop, to create unique pictures of you and your loved ones.

The Post really is a place like no other. Memories? Click – done.

FOOD, GLORIOUS FOOD

Hand crafted menus range from traditional wedding banquets to sharing feasting platters, and if we don't have what you are looking for, just ask. Our executive chef Darren Booker-Wilson prides himself of using fresh, seasonal, locally sourced ingredients with the lowest food miles and best quality produce for your day.

Hand crafted real wood tables, bespoke glassware and the finest cutlery and crockery. You won't find any old trestle tables here! Long banqueting tables or an archipelago of rounds, we cater for all.

In the grounds we have created a bespoke kitchen terrace which is the ultimate location for evening festivities. In summer months dance around the rotisserie, pizza ovens and BBQ and in the winter toast with marshmallows – and Champagne of course!

Wedding feast. Done. Post style.

TIME TO PARTY

At The Post we know how to throw a party! Our sound system will blow your minds and with the accompaniment of a live band or DJ, we will have your guests rocking the night away.

Take centre stage on the dancefloor for your first dance as newlyweds, whilst those who prefer a little quiet can nestle up in the rafters for a drink or two.

Celebration - on the next level!
