The Gazebo

Our beautiful thatched oak framed gazebo, situated on the main lawn, provides the most picturesque setting for your outside ceremony. You and your bridal party can make your entrance out from the Manor House, up the aisle to greet your guests. A truly romantic setting inspired by both nature and history with the magnificent Rosamond's tower to the right as a perfect backdrop for those all important photographs.

The Manor House

If you are looking for a more intimate ceremony or a cosy winter option then the Manor House with its front facing Georgian façade is the perfect choice. Exposed beams and a roaring inglenook fire creates a wonderfully romantic ambience that brings history to life.

Your Reception

The Marquee

Our exquisite and exclusive marquee provides the perfect opportunity to dazzle your guests with sweeping drapes, magnificent chandeliers and a purpose built starlit ceiling above the spacious dance floor.

With endless opportunities to make it yours by adding stylish finishing touches to complement your personal taste and theme, it's a perfect canvas to create your dream wedding.
