THE PERFECT VENUE

Wildes Derbyshire, the perfect venue to enjoy the most memorable day of your life

The One

When the one whose hand you're holding,
Is the one who holds your heart,
When the one whose eyes you gaze into,
Gives your hopes and dreams their start,
When the one you think of first and last,
Is the one who holds you tight,
And the things you plan together,
Make the whole world seem just right,
When the one whom you believe in,
Puts their faith and trust in you,
You've found the one and only love,
You'll share your whole life through.

The One

Our promise to you is simple

On your wedding day we will ensure that you will receive our personal and undivided attention.

We ensure that each couple's beginning is a day to remember forever.

Southgate House, now known as Wildes Derbyshire, was built in the early 1800's by Henry Bowden. Set in beautiful surroundings with award-winning food and exceptional facilities, Wildes Derbyshire boasts a range of wedding packages which can be tailored to suit each couple's bespoke wedding day.

Wildes Derbyshire offers a choice of private rooms for wedding breakfasts, fully-licensed civil ceremonies and evening wedding receptions.

Choose from Wildes Derbyshire's Sherwood or Ballroom for larger weddings or The Chapel, set in the old chapel, for smaller and more intimate weddings. Our Walled Garden is the perfect setting for an outdoor ceremony.

Whether it's a contemporary or traditional wedding, every ceremony should reflect individual taste and style & so our dedicated wedding planners are on hand to take care of the smaller details & to help remove some of the stress of organising such a special day. With only one wedding per day, couples are given undivided attention & a day that is truly theirs.

An idyllic setting

The building epitomises the charm of a bygone era, beautifully restored to offer the glamour of a fine country house hotel.

The gardens are superbly laid out with manicured lawns, terrace areas and a new walled wedding garden that affords excellent photographic opportunities.
