Advantages of midweek weddings

Midweek weddings are becoming more popular with couples on a smaller budget. While Saturdays may still be the most popular day of the week to get married (closely followed by Fridays and Sundays), more and more couples are considering weddings midweek and reaping the benefits.

Maximise your Value

Midweek, the majority of suppliers namely, photographers, cake makers, entertainers, wedding cars to name a few are much more likely to negotiate in order to reach a price that suits your budget. Saving on these services can really mount up, choosing this option is a great way to save money without having to sacrifice the quality of your wedding and allowing you that extra special honeymoon.

Your Guests

Gives you extra time to spend with your family and friends. With weekend weddings, your guests will be rushing home on the Sunday in order to get back to work or school on the Monday. By planning a midweek wedding in advance may enable your guests to take a few more days off work and make a long weekend or midweek break at your wedding destination.

Save the Date

Wedding planning is much easier as you will be able to have a better chance to reserve the date of your choice with the church, suppliers etc. So avoiding the endless calls to the various suppliers and only to hear 'sorry we are booked on that day'.

pre-wedding
pampering

If it's a relaxing few lengths, some much needed 'me' time or a testing gym workout, we have got it covered!

Our spa offers a wide range of treatments and therapies to ensure you are looking and feeling fantastic on your big day. Relax and enjoy a full body massage, scalp massage or indulgent manicure and pedicure just because you can, or as a little treat the day before your wedding. We offer a wide range of relaxation and beauty therapies, all available within the Windmill Spa.

Visit our gin bar, Vault 52, where you can take advantage of one of our many gin experiences from a V52 Gin Adventure to a full Gin Escape. Alternatively for a more intimate affair, reserve the Vault for a private dinner with family and friends.

Prepare in style; our dedicated bridal studio can be yours for the morning of your wedding. Big enough for multiple hair and makeup styling, light and airy and totally private for you and your bridal party.
