

# Human Touch Innovations | Minimum Advertised Pricing (MAP) Agreement

---

This policy is made to protect the integrity of the le Stelle® product line and Human Touch Innovations’ network and retailers. The MAP policy applies to all advertisements of le Stelle® products in any and all media, including, but not limited to, any and all web advertisements, flyers, catalogues, coupons newspaper, mailers, internet listing and any other print or electronic means.

Your minimum advertised price must be equal to or greater than le Stelle® Manufacturer Minimum Advertised Pricing on every product. le Stelle® reserves the right to modify, suspend or discontinue this Policy in whole or in part at any time. This MAP Policy supersedes all previous policies and shall remain in effect unless le Stelle® amends or replaces it. Any discounting that results in a net advertised price lower than the MAP of any le Stelle® items through rebates, coupons, percentage discounts, “see price in cart” or any other manner will be considered non-compliant to the MAP policy. Retailers shall not promote, market, advertise, offer to sell or sell any le Stelle® product on or through any online marketplace or auction service (e.g. Amazon, eBay or similar websites).

**Any such advertisement will be removed promptly and directly.**

le Stelle® will monitor compliance with this policy. le Stelle® may, at its own discretion, stop supplying products to any resellers found to be in violation of le Stelle® MAP Policy.

Thank you for your support. We value the relationships we have developed with all trusted trading partners and reiterate that our objectives of implementing our MAP Policy is designed to protect our brands, our resellers and all sales channels to ensure long term growth.
