Dear Valued Cloud Novelties Customer, California's Proposition 65 warning regulations have changed effective August 30, 2018.  PROP 65 WARNING: Cancer and Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

Background: In 1986, California enacted the Safe Drinking Water and Toxic Enforcement Act (commonly referred to as "Proposition 65" or "Prop 65"). This law, which has been continually updated, requires warnings on products that contain certain chemicals.<sup>1</sup> Businesses are required to inform Californians, and as a result, all consumers, of the presence of any toxic materials listed. Once a chemical is added to the Prop 65 list, businesses have 20 months to comply.

All Cloud 9 Novelties products are 100% compliant with CA Prop 65. Our customers can rest assured they are selling quality products, which comply with all body-safe standards. This letter is being provided in order for customers of Cloud 9 Novelties to establish that the Company is in compliance with Prop 65 obligations.

<sup>1</sup> General information regarding Prop 65 can be found at <https://oehha.ca.gov/proposition-65>. The Prop 65 chemical list can be found at <https://oehha.ca.gov/proposition-65/proposition-65-list> (the "Prop 65 List"). <sup>2</sup> Prop 65 does not require suppliers to eliminate chemicals from their products. Suppliers may comply with Prop 65 by eliminating such chemicals or by placing appropriate warnings to subject products. 00084167.1 PCT
