PROPOSITION 65 COMPLIANCE INDEMNIFICATION

Background: In 1986, California enacted the Safe Drinking Water and Toxic Enforcement Act (commonly referred to as "Proposition 65" or "Prop 65"). This law, which has been continually updated, requires warnings on products that contain certain chemicals.[1] This letter is being provided in order for customers of Pipedream Products, LLC and Subsidiaries ("the Company") to establish that the Company is in compliance with Prop 65 obligations.[2]

Indemnification: The Company agrees to hold you, our Customer, harmless from any liability and/or losses arising under Prop 65 with respect to the goods and materials supplied by the Company, including the failure of the Company to provide warnings on the products.
