

US MAP POLICY CLOUD 9 NOVELTIES

MAP POLICY - Cloud 9 Novelties is dedicated to providing your consumers the highest quality online purchase experience from all of our resellers. As such, we strictly enforce all minimum advertised price policies (MAP policy compliance) designated by our branded-vendor partners to protect their product's imagery, trademark and pricing.

MAP policy compliance applies to all internet sales of our branded-vendor's products sold in North America (including Canada) and internationally, except in countries where such policies are prohibited by law.

MAP policy compliance applies to all branded-vendor partners' products offered for resale based on the current retail price they publish and, subsequently, is unique to each of our partners. Please click on the branded-vendor partner links below for a full list of their MAP policy compliance details.

All drop ship customers are required to conform to the published MAP policy compliance established by each of the branded-vendor products you resell. You may not ADVERTISE any of the MAP products at a price below the designated MAP price outlined in their published MAP policy. However, this policy does not apply in any way to a reseller's actual SELLING at set prices. Every online reseller remains free to set their own retail price for the branded-vendor products they carry.

It is the sole discretion of Cloud 9 Novelties to reserve the right to review a reseller's compliance with branded-vendor partner's MAP policy. If it is verified a drop shipment or wholesale customer advertises a vendor-branded product below the MAP policy price, they will no longer be eligible to purchase or resell that branded-product line.
