

RETAILER MINIMUM ADVERTISED PRICING POLICY (RMAP) RETAILER

PURPOSE

ANEROS (hereinafter, "ANEROS") is committed to providing its partners and customers with the highest quality products and exceptional customer service. In line with our commitment, ANEROS unilaterally adopted the MINIMUM ADVERTISED PRICING POLICY (MAP Policy/ RMAP Policy) to ensure all our distributors and retailers can compete fairly and as a result, mutually benefit as a team. This MAP Policy has many pro-competitive advantages, including promoting inter-brand competition, protecting the quality perception of the ANEROS brand and its products, but in addition, the MAP Policy will also protect and increase the quality and integrity of our partners. The MAP Policy applies to all ANEROS brand products in the United States and all other countries where ANEROS brand products are sold (unless such policies are prohibited by law). The suggested minimum advertised price ("MAP") can be found in Exhibit A.

POLICY

To conform to the MAP Policy, a retailer/reseller/partner (aka "retailer") may not advertise any of the MAP Products at a price below the applicable MAP Price as listed in Exhibit A. The MAP Price does not include shipping.

For purposes of this MAP policy, "advertising" includes, but is not limited to: any print material such as newspapers, magazines, in-store displays; as well as electronic mail; Twitter feeds; Facebook or other social network postings; websites; television or radio ads; opening bid; "buy now" or no-bid postings on eBay or other online auction sites; and Internet popups, downloads, search ads, or display ads and any multi-vendor marketplace/websites. This MAP Policy includes advertising of any rebates, banner discounts, store-wide or department sales, buy-one-get-one free promotions, or any other advertised sale or discount that results in the MAP Products being advertised at an effective price below the MAP Price. Rebates, coupons, credits, percentage discounts, or any manner of discounting that results in a net advertised price of an ANEROS product below its MAP Price, regardless of any other circumstances, will be considered as not complying with the MAP Policy. Failure to advertise a price will be considered a violation of this MAP Policy.

This MAP policy does not apply to displaying an ANEROS brand product's price to an Internet customer after he or she places the product in his or her secure shopping cart, or to prices provided by direct telephone or email communication in response to a prospective customer's request. This MAP Policy does not apply in any way to a retailer's actual setting of retail prices. Each retailer remains free to set its actual resale price for ANEROS products, in the retailer's sole discretion. ANEROS may, from time to time, sponsor special promotions or rebates to which this MAP Policy will not apply, as designated by ANEROS in its sole discretion.

ANEROS reserves the right to update the MAP pricing and products (Exhibit A) and will provide updated MAP pricing unilaterally to all affected parties. In such instances, all other policies under the MAP will continue as this adjustment will not affect the validity of this agreement.

APPROVED ONLINE RETAILER LIST

To effectively administer the MAP Policy, ANEROS maintains an APPROVED ONLINE RETAILER LIST. Distributors will only sell to an online retailer who is on the APPROVED ONLINE RETAILER LIST. If the retailer is not on the approved list, they can contact the Distributor or ANEROS for a copy of the Retailer MAP Policy (RMAP), which can be signed and returned to map@aneros.com. ANEROS will then approve or reject the retailer. Upon approval, the retailer will be added to the APPROVED ONLINE RETAILER LIST and allowed to advertise and sell ANEROS Branded Products per the MAP policy. If ANEROS rejects the retailer, then the retailer will not be allowed to advertise/sell ANEROS Branded Products. A distributor will not sell ANEROS Branded Products to any retailer on the DO NO SELL LIST.

PROCEDURE /DUTIES

To adhere to the MAP Policy:

- 1) Any retailer that advertises and/or sells ANEROS branded products ONLINE will need to obtain and sign a copy of this form, aka... RMAP Policy.
 - a. This RMAP policy form can be obtained from your distributor or ANEROS.
 - b. Please return the form directly back to ANEROS at map@aneros.com.
- 2) Upon receipt of the signed formed, ANEROS will approve / disapprove the retailer and RMAP.
 - a. All Approved retailers will be added to the APPROVED ONLINE RETAILER LIST.

- 4) Approved Retailers who violate the MAP Policy will be placed on the DO NOT SELL LIST.

**ANEROS reserves the right, at its discretion, to determine the criteria, such as a violation of the MAP Policy, by which retailers are added to the DO NOT SELL LIST.

In the event that ANEROS receives information that a party is advertising an ANEROS product below the minimum advertised price (MAP), ANEROS will contact the noncompliant party. ANEROS will then request the noncompliant party to comply with the minimum price within ten (10) days. If after ten (10) days the pricing has not been corrected, or if the retailer has failed to answer the request, ANEROS may, at its sole discretion, notify the retailer's distributor and add the retailer to the DO NOT SELL LIST. ANEROS also reserves the right to cease future supply of the product to the noncompliant party and/its distributor. Any decision to reinstate a retailer's ability to purchase a MAP Product after the retailer has advertised that MAP Product below the applicable MAP Price will be at the sole discretion of ANEROS. Furthermore, ANEROS also reserves any and all remedies that it may have for breach of the MAP Policy, including breach of contract claims, monetary damages, and any remedies allowed by law. ANEROS reserves the right to modify, suspend, or discontinue this MAP Policy in whole or in part at any time. This MAP Policy supersedes all previous MAP policies, and shall remain in effect unless ANEROS amends or replaces it.

MULTI-VENDOR MARKETPLACES/ WEBSITES

In furtherance of ensuring the quality and reputation of ANEROS products, advertising and sales to any multi-vendor marketplace/websites are STRICTLY PROHIBITED. A multi-vendor marketplace/website refers to an e-commerce site that enables multiple users to sell their products whereas the site owner continues to enjoy commissions based on their sales. In short, the multi-vendor website is an online e-commerce marketplace. Examples of multi-vendor websites include but are not limited to amazon.com, jet.com, ebay.com, walmart.com and its subsidiaries (amazon.co.uk, amazon.eu, ebay.co.uk, etc....).

UNILATERAL ADOPTION

For the MAP Policy to be effective and for all ANEROS partners to mutually benefit, ANEROS has adopted this MAP Policy unilaterally. This means ANEROS will not discuss any conditions of acceptance related with this MAP Policy, as it is non-negotiable and will not be altered for any distributor and/or its partners.
