

**GroupLink Software Product
SUBSCRIPTION LICENSE AGREEMENT
20230613**

Before proceeding with the evaluation, installation or cloud use of this software, the interested party ("Party") must accept the terms of the following license agreement. For on-premise users, Party must indicate acceptance or rejection of this agreement by clicking on the appropriate button provided during installation. If Party clicks on a button denoting or connoting "I accept," installation will continue. If Party clicks on a button denoting or connoting "I reject," installation will abort. If Party does not agree with these terms, such Party should not use (i.e., seek for demonstration or production use of) the software and promptly return it in accordance with the terms of Party's agreement, if applicable. Regardless of the process of installation (whether on-premise or in the cloud) by using or evaluating the software Party automatically confirms its agreement to these terms.

Grant of License

GroupLink Corporation ("Licensor"), a Utah corporation, hereby grants to the person or organization accepting this Subscription License Agreement ("Agreement"), and those who lawfully install the software accepted by such person or organization, ("Licensee") a non-exclusive, non-transferable and non-assignable subscription license to use this version of the computer software and associated user documentation which may accompany this Agreement (all referred to herein as the "Licensed Software") in accordance with the terms and conditions of this Agreement. Legacy users may have, in past early years, acquired a legacy license from Licensor. Over the years such legacy customers have received "grandfathered" consideration for their legacy pricing, as their legacy license was irrevocably converted to an updated annual subscription license. THIS SUBSCRIPTION LICENSE FOR ALL USERS IS SUBJECT TO COLLECTION OF APPROPRIATE PAYMENT AND/OR REGISTRATION IN ACCORDANCE WITH LICENSEE'S UPDATED LICENSE SUBSCRIPTION-AGREEMENT WITH LICENSOR OR LICENSOR'S AUTHORIZED DEALER/REPRESENTATIVE.

Scope of Permitted Use

Licensee may only use the Licensed Software on the number of computers and/or users granted by this license in accordance with the terms of Licensees purchase agreement. If the number of users (or installations) of the software exceeds the licenses, Licensee must have a reasonable process in place to assure that the number of persons or computers using the software does not exceed the number of licenses.

DISCLAIMER OF WARRANTY

Although Licensor has tested the software and reviewed the documentation, THE LICENSED SOFTWARE IS FURNISHED BY LICENSOR AND ACCEPTED BY LICENSEE "AS IS," WITHOUT ANY WARRANTY WHATSOEVER. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, ARE SPECIFICALLY EXCLUDED AND DISCLAIMED. LICENSOR DOES NOT WARRANT THAT THE LICENSED SOFTWARE WILL MEET LICENSEE'S REQUIREMENTS OR THAT THE OPERATION OF THE LICENSED SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE LICENSED SOFTWARE IS WITH LICENSEE.

Some states do not allow the exclusion of implied warranties or liability for incidental or consequential damages, so the above limitation or exclusion may not apply to Licensee. This warranty gives Licensee specific legal rights, and Licensee may also have other rights that vary from state to state.

LIMITATION OF LICENSOR LIABILITY

IN NO EVENT WILL LICENSOR BE LIABLE TO LICENSEE OR ANY OTHER PERSON FOR ANY LOST PROFITS, LOST SAVINGS, LOST DATA, OR OTHER DIRECT, INDIRECT, SPECIAL, CONSEQUENTIAL OR INCIDENTAL DAMAGES ARISING OUT OF OR RELATING TO THE LICENSED SOFTWARE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE; PROVIDED, HOWEVER, THAT NOTHING IN THIS AGREEMENT SHALL OPERATE TO RELIEVE LICENSOR FROM LIABILITY FOR ITS OWN WILLFUL OR WANTON RECKLESSNESS OR INTENTIONAL TORTS.

Limited Warranty

Most deliveries of this software and associated license file will be by electronic (e.g., download) means. However, if this software and/or license file is delivered on physical medium and if Licensee discovers physical defects in the media, Licenser will replace the media or documentation at no charge to Licensee, provided Licensee return the item to be replaced with proof of payment to Licenser during the 90-day period after having taken delivery of the software. No Licenser dealer, representative, agent, or employee is authorized to make any modifications or additions to this limited warranty.

Proprietary Expression and Information

Licenser is the copyright owner of the Licensed Software, and the ideas, procedures, processes, systems, methods of operation, and concepts which are embodied within the Licensed Software and trade secret information of Licenser. This license is not a sale of a copy of the Licensed Software and does not render Licensee the owner of a copy of the Licensed Software. Ownership of the Licensed Software and all components and copies thereof shall at all times remain with Licenser, regardless of who may be deemed the owner of the tangible media in or on which the Licensed Software may be copied, encoded or otherwise fixed.

Support Services

Licenser may provide Licensee with support services related to the Licensed Software ("Support Services"). Use of Support Services is governed by the Licenser policies and programs described in the user manual, in "online" documentation, and/or in other Licenser-provided materials. Any supplemental software code provided to Licensee as part of the Support Services shall be considered part of the Licensed Software and subject to the terms and conditions of this license Agreement. With respect to technical information Licensee provides to Licenser as part of the Support Services, Licenser may use such information for its business purposes, including for product support and development. Licenser will not utilize such technical information in a form that personally identifies Licensee. If Licensee uses the Licensed Software on-premise, Licensee acknowledges it will provide, at its own expense, software, hardware and support services for its own computer infrastructure, including, but not limited to, operating systems, networking (including Internet), emailing, database and other similar 3rd party software / systems. Such an on-premise Licensee acknowledges that any software support, for Licensed Software, it may contract from Licenser does not include support for such infrastructure components. Such an on-premise Licensee also agrees that any access to Licensed Software database elements (e.g., read, write, delete, modify, etc.) must be made only through the Licensed Software user interface (UI), and not by directly accessing the database; otherwise, such action may cause corruption in the Licensed Software's system database, thus voiding any obligation by Licenser to provide warranty or Support Services.

Restrictions Upon Duplication, Reverse Engineering and Disclosure

Any copy of the Licensed Software made by Licensee must bear the same copyright and other proprietary notices that appear on the copy furnished to Licensee by Licensor. Licensee will not disassemble, decompile, translate or otherwise attempt to "reverse engineer" the Licensed Software, nor shall Licensee permit any other person to do so. Termination

This license and Licensee's right to use this software automatically terminates if Licensee fails to comply with any provision of this license agreement. This license and Licensee's right to use this software also automatically terminates if Licensee fails to pay the applicable license fees as stated in its purchase agreement with Licensor or Licensor's authorized dealer/representative. Both parties agree that the association of Licensee and Licensor becomes a strategic relationship because of the following and other similar strategic elements: 1) the strategic nature of applying the Licensed Software and its associated benefits; 2) the strategic nature of business applications and productivity objectives in using the Licensed

Software; and 3) the strategic, cyclical front-loading of each party's investments in system and process improvements to continually enhance use of the Licensed Software. As such, upon payment (by Licensee) and receipt (by Licensor) of any annual Subscription License fees totalling greater than one-thousand dollars (USD), both parties agree to give the other party at least eight months notice before reducing or terminating the licensing relationship.

U.S. Government Restricted Rights

The Licensed Software and documentation is provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) in The Rights in Technical Data and Computer Software Clause at DFARS 252.227-7013, or subparagraphs (c)(1) and (2) of the Commercial Computer Software - Restricted Rights at 48 CFR 52.227-19, as applicable. Non-Waiver

The failure by either party at any time to enforce any of the provisions of this Agreement or any right or remedy available hereunder or at law or in equity, or to exercise any option herein provided, shall not constitute a waiver of such provision, right, remedy or option or in any way affect the validity of this Agreement. The waiver of any default by either party shall not be deemed a continuing waiver, but shall apply solely to the instance to which such waiver is directed.

Severability and Choice of Law

Every provision of this Agreement shall be construed, to the extent possible, so as to be valid and enforceable. If any provision of this Agreement so construed is held by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, such provision shall be deemed severed from this Agreement, and all other provisions shall remain in full force and effect. This Agreement shall in all respects be governed by and interpreted, construed and enforced in accordance with the laws of the United States of America and the state of Utah. Any action between Licensor and Licensee will be venued in a state or federal court situated within the state of Utah, or preferably, if both parties agree, conducted by mediation or arbitration accessible to both parties, and Licensee irrevocably submits to the personal jurisdiction of such courts for such purpose. In the event of litigation, mediation or arbitration, the prevailing party shall recover and be awarded all costs and expenses incurred in pursuing said litigation, mediation or arbitration, including all reasonable attorneys' fees.

Assignment and Binding Effect

Licensor may assign, delegate and/or otherwise transfer this Agreement or its rights and obligations to any person or entity. Licensee may not assign, delegate or otherwise transfer this Agreement or any of Licensee's rights or obligations hereunder without the prior written consent of Licensor. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

Entire Agreement
