DOWNTOWN  
DEVELOPMENT  
AUTHORITY

DATE: April 15, 2024

TO: Downtown Development Authority

FROM: Tim Kelly, AICP  
Executive Director

SUBJECT: FY26 Budget and Priority Plan Recommendation

Agenda Item #06  
April 15, 2025  
DDA Meeting

Each year the Downtown Development Authority (DDA) recommends an annual budget to the Grand Rapids City Commission. With the approval of GR Forward in December 2015, the DDA and DGRI have clearly defined objectives, and this proposed budget was built to reflect and implement the community priorities for Downtown.

For fiscal year 2026 (FY26), the DDA budgets consist of both new projects from GR Forward and carry forward priorities that span multiple fiscal years. The attached 5-year priority plans provide further details, and staff will be on hand to present additional information during the April 15 Board meeting.

Some highlights for the coming year are the continuing Grand River public space and access improvements, continued funding to support business support and attraction, and building on the tremendous success of events such as World of Winter and Re(turn) to the River. In addition, there is also funding allocated to help complete major capital improvements to Downtown public spaces such as Lyon Square and the Van Andel Arena alley. As well as funding to support the development of the Acrisure Amphitheater.

When examined by GR Forward goal the breakdown from the LTI and NTI budgets is as follows:

- Goal 1 (Restore the River as the Draw): \$1,225,000
- Goal 2 (Create a Downtown Neighborhood Home to a Diverse Population): \$1,385,646
- Goal 3 (21<sup>st</sup> Century Mobility Strategy): \$1,275,000
- Goal 4 (Ensure Job Opportunities and Ensure Vitality of the Local Economy) \$550,000
- Goal 5 (Reinvest in Public Space, Culture and Inclusive Programming): \$4,740,000

**DOWNTOWN DEVELOPMENT AUTHORITY**

As in previous years, the Downtown Grand Rapids Inc. Alliance and various project committees played helped review the FY26 budget. Following a recommendation from the DDA Board, DGRI staff will present the recommended budget to the City Commission in May 2025. The Board will then adopt their final annual budget and priority plan at the next scheduled meeting.

**Recommendation:** Recommend the FY2026 DDA Budget to the City Commission to request fund appropriation.
