Virtual Meeting Instruction
DOWNTOWN NEIGHBOR NETWORK ADVISORY

Hello,

As many of you know, recent restrictions and mandates have been issued in an effort to reduce the spread of COVID-19. For this reason, and for the safety and wellbeing of our members and employees, we would like to continue to move GR Forward through virtual meetings.

We have decided to use Microsoft Teams for video/phone conferencing for all upcoming board and alliance meetings. Teams has many exciting features including screen sharing, recording, live captions, file sharing, and more. Below are instructions on how to access your upcoming virtual meeting.

MICROSOFT TEAMS

How to Join the Meeting:
1. It is recommended to download the App (but not necessary):
   a. Apple Devices.
   b. Android Devices.
2. When you click the following link, it will prompt you to choose: Launch App, Download App, or Join by the web. Click here to access the Team meeting.
3. Allow access to your mic and camera (this is very important for you to join the conversation).
4. Prior to joining the meeting, it will require you type your name. Make sure your mic and audio are on and click join.

Virtual Meeting Etiquette:
• Test the app and all technology (including camera/video, Wi-Fi, and audio) before the meeting.
• Always have a contingency plan, you may want to download the app to a second device.
• Mute your microphone when you’re not speaking.
• Start a comment by saying your name. Not everyone may recognize your voice. This practice also facilitates the work of the person who is taking minutes.
• Be aware of your surroundings: make sure your background is professional and work appropriate.

If you have any questions or need further assistance, please email mmcdaniel@downtowngr.org.

Thank you!

Best,
Mandy

   **Others Present:** Arianna Skentzos, Annamarie Buller, Marion Bonneaux, Melvin Eledge, and Mandy McDaniel (DGRI Staff).

3. **Approval of DNN Advisory Minutes – August 2020**
   
   Meeting Minutes were approved by consensus.

4. **Downtown Homeless Discussion (added agenda item)**

   DNN members and residents have expressed concern regarding the deterioration of Monroe Center and bringing attention to the public health crisis as many individuals are sleeping on the streets, not wearing a mask nor social distancing. These issues are now throughout the Downtown area and have significantly increased because of the pandemic.

   Ms. Steindler stated she recently sent an email to the Mayor and other city leaders to observe and acknowledge that this is a problem. Mark Washington, City Manager, responded and acknowledging that it is a problem and the city is working on collaboration with multiple organizations. Ms. Steindler asked the DNN what can we do to move forward as a solution and what advice do members have to address this public health issue?
Mr. Eledge, DGRI Staff and member of the Homeless Outreach Taskforce (HOT), stated the Downtown Ambassadors have shifted their schedule to do earlier wake ups, strategizing and cleaning beginning at 5am daily. HOT also participates in the same wake up calls early in the morning. We are also coordinating help create more lighting along with changing the light bulbs. An additional porta potty will be added on Monroe Center to help people access a public bathroom. The city has turned off the outlets along Monroe Center to help break up the large groups that gather there throughout the day. Many leaders have been observing these issues and Mr. Eledge has been performing a weekly audit.

Ms. Buller stated the city is hiring a Homeless Outreach Coordinator to connect with HOT and they also plan to hire an addiction coach and social worker through a contract with Network 180 hopefully approved at the upcoming City Commission meeting. The Grand Rapids Police Department is working on what is called a document that can be distributed to businesses and residents with “what to do” in the case of common behaviors and whom to contact.

Mr. Tadlock stated he has been discussing this issue with the city mayor and manager since it started. The shelters have had to reduce their capacity to 50% which has been a large part of the problem. The city is doing their best to partner with all these different agencies, but it takes a little while to get going.

Mr. Drent stated we must find a better long-term solution than just take away seating. We need to get to the core of the problem and help these individuals better connect to resources that are available to them.

Ms. Peltier requested something to be published for residents to know everything that is being done. Ms. Peltier asked who is the best contact when we see large groups congregating? Mr. Eledge stated you can email him at meledge@downtowngr.org and he will make sure HOT and/or Ambassadors are aware.

This will become a regular DNN agenda item and DNN newsletter item each month to keep the group updated.

5. **Approve DNN Advisory Job Description**

Ms. Peltier reviewed the updated version of the job description included in the agenda packet. Members were asked for final feedback and a motion for approval.
Ms. Steindler asked if the wording “commit to learning something about downtown each month” can be changed since she is concerned people will not want to join.

Daniel Drent, supported by Kathy Steindler, motioned to approve Downtown Neighbor Network Advisory Responsibilities (with changes). None opposed. Motion passed.

6. Draft DNN Application and Recruitment Process
Ms. Peltier stated we do not currently have a recruitment process. Included in the agenda packet was a draft DNN Advisory Recruitment Process. Ms. Peltier reviewed the recommended qualifications/responsibilities, roles, application and processes with members. DNN members are encouraged to email Ms. Buller with any feedback.

Ms. Buller stated Drew Terwee has stepped down from the DNN along with Amy Skentzos.
Ms. Buller asked members for ideas on how to thank individuals for their service. We will also have a vice-chair added this year rather than only a chair. Please consider volunteering for the Vice Chair Role for election in December.

Ms. Buller will send out a poll following the meeting to vote on how the DNN would like to appoint new members.
