Downtown Resident Steering Committee
Downtown Neighbor Network Recommendation
9/5/2019

1. Background:

The GR Forward Downtown and River Activation Plan identified the goal to create a downtown neighborhood that is home to a diverse population. To that end, DGRI looks to support initiatives that improve downtown living for existing residents and attract new downtown residents in order to foster civic engagement and strengthen community ties downtown. GR Forward specifically identifies the opportunity to establish a downtown resident council. In early 2018, an ad-hoc Downtown Resident Steering Committee was formed to explore the creation of a stand-alone organization that would represent downtown neighbors.

The Downtown Resident Steering Committee was constituted to represent various viewpoints and perspectives on the unique challenges and opportunities of living in or near downtown Grand Rapids. Although DGRI convened the group, it was made explicit that there was not a predetermined outcome and that the group had the authority to determine if there was need or desire for a downtown neighborhood group and what form that group might take. The group began with an extensive “data dive” to better understand who was living in downtown, what groups currently (or potentially) exist in and near downtown, what concerns residents have, how is downtown changing, and what type of organization might be the best fit to represent the unique voice of downtown living.

2. Process:

   a) Recruitment of Steve Faber, Byrum and Fisk to facilitate the independent process for the Downtown Resident Steering Committee, supported by DGRI Stakeholder Engagement Specialist Annamarie Buller

   b) Research and Data:
      i. Resident survey
      ii. Housing analysis
      iii. Scan of organizations and associations
      iv. Focus group discussion with existing neighborhoods (November 2017, April 2018)

   c) Scenario Planning: No growth, slow growth, high growth
   d) Structure Pros/Cons: Nonprofit vs Joint Venture
   e) Heartside residents reorganizing the Heartside Neighborhood Association (HNA) propose expansion.
   f) Downtown Resident Steering Committee Recommendations Engagement

DNN Structure:

- An affinity group/ network for people who identify as downtown neighbors but may already be in a neighborhood
- Downtown Resident Network name change to Downtown Neighbor Network
- The DNN has blurred boundaries to be more inclusive- including Downtown and adjacent neighborhoods in its boundaries
- Work collaboratively with DGRI and near neighborhoods

Governance Structure: the Downtown Neighbor Network Advisory

The proposal is that the DNN Advisory will live within DGRI for at least two years. The DNN Advisory is most aligned to help the DGRI’s Goal 2 Alliance achieve their outcomes, however, there is a desire for the DNN to exist outside the hierarchy of being under any specific committee. This will give the DNN Advisory a level of autonomy and recognize that the voice of downtown neighbors is valuable to all DGRI committees. The DNN Advisory may establish ad hoc committees to direct their work as need.

DGRI Alliance Representation:
The DNN Advisory will present to each Goal Alliance annually (winter each year)

- The DNN’s Advisory Committee members will:
  - Live in or in a near neighborhood that is Downtown adjacent
  - Live in a multi-unit building
  - Be a mix of renters/owners

  - Represent full diversity

- The DNN Advisory Committee Recruitment process:
  - September 2018-Outreach to property owners to solicit residents to apply
  - November 1- DNN Event to announce structure and recruit board members
