Seasonal Event and Programming Grant Program & Application

Funds Available for Events & Programming Happening October – April In Downtown Grand Rapids
About Downtown Grand Rapids Inc.

Downtown Grand Rapids Inc. (DGRI) works to continually elevate Downtown GR as the best-in-class heart of an American city.

Toward this end, high quality public events and programming deliver four key outcomes:

• More dynamic public spaces
• Happier, healthier people
• Attract new, diverse audiences
• More economic activity

DGRI is especially interested in expanding programming and activities during the cold weather months. The goal is to make GR a more active winter city, which makes GR a more active year-around city.

About the Seasonal Public Space Activation Grant Program

DGRI is committed to and invested in helping event producers, artists and other public space activation innovators accomplish successful events and programming in Downtown.

Hundreds of events occur Downtown during the warm summer months. DGRI’s Seasonal Event and Programming Grant Program is intentionally focused on promoting more public events and programming during the winter to help establish Grand Rapids as a more vital 4-season city.

This Program is specifically geared to support events and activities that align with and achieve the community’s public space activation goals. These goals were defined through the 2014 Special Events Optimization Process as well as the 2015 GR Forward plan of action for Downtown GR, specifically the Goal 5 ambitions to reinvest in public space, culture and inclusive programming.

Application Process Overview

Here’s how the Seasonal Event and Programming Grant Program works:

• Read this package of materials and complete the included application and submit to DGRI with all requested paperwork and the sponsorship information for your event or program.

• DGRI staff will review and score your application based on the Evaluation Criteria. (See enclosed)

• If your event/program aligns with community goals and ranks as a good fit for a potential sponsorship, DGRI will follow up with next steps.

• If your request is officially approved, DGRI will connect to confirm sponsorship level, discuss surveys and invoices, and any other relevant details.

Potential Sponsorship

DGRI staff recommendations for grant support are informed by how individual events and programming proposals align with the Evaluation Criteria. This program grants up to $5,000 in assistance for high scoring ideas.

When applications for funding received exceed DGRI funds budgeted and available, DGRI may convene a committee of stakeholders, such as the GR Forward Goal 5 Alliance, to support decision-making.

DGRI also reserves the right to decline any application for funding. No event or programming idea is guaranteed sponsorship.

Evaluation Criteria

Application will be evaluated and scored based on the community goals outlined here.

Each section below details the evaluation criteria as well as ideas on how to achieve the particular goals. The details are examples, not instructions, for demonstrating how to accomplish each goal.

You will be graded on the evaluation criteria categories listed and will need to explain how you plan to accomplish each criteria metric based on your event/program goals and activities.

DGRI understands that not every event/program can do or meet every criteria listed. That is ok. This is not required to receive grant funds. The more applicants meet the criteria, the more points applicants receive. What’s also important is following through on the criteria your event/program proposes to meet.

Events/programs also will be evaluated on the amount requested per anticipated attendee.

Applications must score a minimum of 100 points out of 300 to be considered for grant funds.

Additional Information

Intercept Surveys
If DGRI chooses to award grant funds to your event/program, we may have a third party administer Intercept Surveys asking various questions to attendees at your event in order to gather quantitative feedback. These types of surveys help DGRI gauge various things such as demographics, attendance, reach, transportation choices, age, gender, consumer spending, etc.

Invoicing
If DGRI chooses to award grant funds to your event/program, you must register as a vendor with the City of Grand Rapids. DGRI will provide instruction and we’re happy to help.

You will submit to DGRI two invoices for sponsorship based on the sponsorship level DGRI approved. The first invoice will be for half of the agreed upon sponsorship level. After the event is held, you may submit a second invoice for the remaining half of the balance agreed upon.

Once you are registered as a City Vendor, notify DGRI of the registered entity and submit your invoice and all other appropriate documents.

Once an invoice is received, DGRI will initiate the payment process. Payment typically takes 30-60 days.
