Message from the Directors

We are so pleased that you are joining us for our 2025-2026 “Hollywood Winter Recital”. Through dance and music, we'll celebrate iconic songs, themes, and eras inspired by Hollywood. From fun movie favorites to exciting new hits, each dance brings big smiles and movie magic to the stage.

The South Fulton Studios Performing Arts School started 2015 as a premier home for diverse performing arts programming and education, collaborating with artists, organizations, schools and the community to encourage the creation, appreciation, and understanding of the arts. We seek to nurture a vibrant arts community, foster artistic excellence, and bring people together for powerful shared experiences that inspire a creative exchange of ideas.

I adore the afterschoolers as I see them the most, and truly see their dedication to becoming better, and their skills are getting better by the day. Teaching tap is the most difficult but also the most fun, especially with my students who try their best. My motto is "everybody starts somewhere," as nobody starts at the top.
