24th ANNUAL RECITAL

We are so excited to be at Westerville Central High School for this year's recital! Check the parent portal under shared files for order forms for t-shirts and program advertisements, and to check that your student's name is spelled correctly! Our students are excited and working so hard for the big weekend. We can tell you all are working at home, and we can see improvement every day! Keep up the hard work and get ready for a weekend of TONS of fun!

SUMMER BREAK

Just a reminder as you make family plans that Generations offers summer programs. These classes take place in June, with another special program offered in August for more experienced dancers. This is a great chance to make big improvements.

PRE-REGISTRATION

The pre-registration deadline for next season is May 1st. The necessary information is in your parent portal and has been emailed to you as well. If you prefer to decide later, we will still be accepting registration for several more months. Benefits to pre-registration include access to the first opportunity to finalize registration, entrance into a drawing for one class free of all fees for the 2023-24 season, and other bonuses. We look forward to working with your children next season!

We are so proud to have put on another year of dance classes, and we are thankful for each and every one of you who have been along for the ride with us!

DID YOU KNOW WE OFFER PRESCHOOL?!

At Generations, we are abundantly proud of our staff and the environment we have created for growing children. In pursuit of safe, nurturing, and exciting learning environments, we have spent a few years building our own preschool—On The Move. One of our own instructors, Jade Green, is in charge of this program. Jade, who graduated from Otterbein with a degree in Early Childhood Development, has spent the past several years building a strong curriculum geared towards active kids. The students learn their basics while participating in movement based activities. Several Generations families have taken part in this program as an early preschool option. We encourage you to call (614-943-5940) or email (onthemovepreschool@gmail.com) to learn more about this special opportunity!
