SUMMER REGISTRATION

Summer is right around the corner, and with it, our Summer 2023 season! Summer classes are a great way for students to try out new styles of dance, stay active in the month of June, make new friends, and keep their skills sharp for the upcoming Fall season! This year, summer classes will run for three weeks, June 5th-29th. Most classes meet twice a week, for a total of 8 classes. Our 4-day themed camps begin May 30th (featuring themes like Taylor Swift, Paw Patrol, Under the Sea, and MORE)! Full class and camp offerings are available on our website, and in the parent portal.

We hope you join us!!

THE PARENT PORTAL

Everyone registered at Generations has access to a personal account where they can find announcements on the bulletin board/news and notes, review their fees, view class files like choreography videos and hair/makeup how to, and download important documents related to upcoming studio events. If you ever misplace a form, or realize that an important deadline is coming up, you can find what you need in the Shared Files section of the portal! You can also view all previous emails in the Bulletin Board section (in a browser) or News & Notes (in the app) for future reference. This is our way of making resources readily available to you, all in one place, so you have what you need when you need it!
