FALL IN LOVE WITH DANCE!

Welcome to February at Generations, where recital season is in full swing! Since returning from the break, our students have gone straight to work on their recital dances. A video of your child's routine can be found in your parent portal under the student's name. The link will not change- even if the videos are updated during the season. If you need help accessing these videos, please contact our office. We strongly encourage that our students get an early start on practicing at home! Daily practice will make for a perfect execution at recital, and that is what we are aiming for! Let's get to work!

SUMMER DANCE PROGRAMS

Generations PAC offers a variety of dance opportunities throughout the summer. These programs are an outstanding way for students to experience more focused training during a time where they can put an emphasis on dance. We offer a full range of classes for the beginner through advanced student. We conclude our summer training with a week long intensive. We recommend a summer training regimen as a way of making a huge “leap” in your skill. Some of our more advanced students may travel around the country for additional intensives during our summer break. Students leave all of these programs with an added excitement and improved attitude each year! We hope you will take advantage this year!! Details will be available in March, so keep these possibilities in mind as you plan your family summer activities!

FLEXIBILITY

Although split contests have concluded, we strongly advise our dancers to continue working on their flexibility at home throughout the entire year. Flexibility is a wonderful asset to your dancing ability, and it can only be achieved through persistence and repetition! Keep working toward your goal!

FATHER-DAUGHTER DANCE CLASS

Join Miss Heather in this special Father-Daughter class to work on a dance performed with your daughter in the recital! This is a beautiful opportunity for Generations fathers to take a special interest in their daughters' love for dance. There will be a meeting on Thursday February 22nd at 8:00 PM to discuss the class and picture week, etc. Dancers and their father will be invited to attend for recital pictures on Thursday February 29th at 6:45PM for individuals and to be included in the group photo.

The class will be held on Thursday evenings beginning on March 14th from 8:00-8:45 PM and continue on Thursdays each week for the duration of our dance season, until concluding in our Spring Recital. The cost is \$185 for the season (this includes a rental costume for the dancer), plus an additional \$50 for multiple daughters participating. Enrollment is available in your Parent Portal!

SUMMER CAMPS

Join us for some exciting summer dance camps geared towards dancers ages 3-9! No previous experience required. Different camps offered each week this summer beginning in late May!! Students can expect to participate in a week of a variety of fun, themed activities including games, crafts, a small snack time, and of course lots of dancing! Themes include princesses, superheroes, Taylor Swift, Bluey, summer fun and MORE! Registration will open soon!
