## Picture Week Success!

Picture week was fantastic! We love seeing all of the costumes come together and working with our students to get the perfect picture. Each student will receive 1 package #5 in each of their costumes (1 5x7 + 4 wallets). Group photos were taken but are not included in the free package. If you still want to order additional photos, you can do so on the photographers website once the photos are finished. All pre-ordered photos will arrive sometime after Spring Break and will be available for pick-up at the front door.

## Recital 2024

We are thrilled to have our recital May 17th and May 18th at Westerville Central High School! This is a very important weekend where you get to see all the hard work that your child has put into growing their skills as a dancer! The recital show assignments went out last week and ticket orders are due April 8th!

## Summer Camps

This summer Generations is offering summer camps for ages 3-12 ALL SUMMER LONG! Click [HERE](#) to check out all of our summer camp options. Camps range from our popular Princess Camp to some new camps for dancers looking to further their training! We hope you will join us for a week or more this summer. Registration is available now!!

## Summer Programs

Our summer program will begin soon after our regular season is complete. Most classes meet twice a week, offering the curriculum that is offered throughout the year. It is a great opportunity to try a new subject or improve your skill in an area where you are currently training. Students may sign up for any combination of classes during the summer program. We will also again be offering a variety of themed camps for students ages 3-12! We are so excited for these weeks packed with dancing and FUN! Additionally, we also offer a dance intensive for students interested in a week long program of dance from 9:30 - 4:30 each day! This camp is tentatively July 29th - Aug 2nd. Plan on joining us this summer to improve and enjoy!

Generations is committed to nurturing each and every child throughout the dance training process. We do this through our caring staff and the integrity that goes into each of our programs. We consider each child a precious gift from God. We realize that dance is only a small portion of each of your lives, however sometimes the smallest of things can have the greatest impact on a young child. We appreciate the opportunity to participate in your life and the lives of your children. We also appreciate any feedback that may enable us to make this a great experience for everyone. May God bless your family!
