Generations Performing Arts Center - Monthly Newsletter

RECITAL 2024 IS HERE!

This is such an exciting time of year at Generations as our year-end recital is nearly here! We know there is a lot of information that gets sent out at this time of year from everyone. Some documents with important information can be found under the “Recital” bullet in the “Documents & Files” section of your [Parent Portal](#). The dress rehearsal schedule is listed in the document labeled “Recital/Dress Rehearsal Schedule 2024” and information regarding our processes and other FAQ are in the document titled “Recital Information 2024”. Please read over these before we head into our dress rehearsal event. We are excited for these fun weekends ahead!

SUMMER REGISTRATION

Summer is right around the corner, and with it, our Summer 2024 season! Summer classes are a great way for students to try out new styles of dance, stay active in the month of June, make new friends, and keep their skills sharp for the upcoming Fall season! This year, summer classes will run for three weeks, June 3rd-21st. Most classes are offered 4 days a week and students can choose to take a week at a time or twice a week for the 3 weeks. Our 4-day themed camps begin May 28th (featuring themes like Barbie, Taylor Swift, Bluey & MORE)! Full class and camp offerings are available on our website, and in the parent portal.

We hope you join us!!

THE PARENT PORTAL

Everyone registered at Generations has access to a personal account where they can find announcements on the bulletin board/news and notes, review their fees, view class files like choreography videos and hair/makeup how to, and download important documents related to upcoming studio events. If you ever misplace a form, or realize that an important deadline is coming up, you can find what you need in the Shared Files/Documents section of the portal! You can also view all previous emails in the Bulletin Board section (in a browser) or News & Notes (in the app) for future reference. This is our way of making resources readily available to you, all in one place, so you have what you need when you need it!
