## OPEN HOUSE + MIDNIGHT MADNESS

OCTOBER 25TH  
6PM PERFORMANCE  
OPEN HOUSE FOLLOWING PERFORMANCE

Each year we perform in the street with "Midnight Madness," Westerville's final 4th Friday of the season. This is an opportunity for many of our dancers to perform and a chance for new students to see our dancers perform. We will perform on Friday, October 25th in front of the studio at 6pm. Our Open House will begin directly after the show. During the Open House, we invite you to come in and visit with other parents, get to know your student's teachers, and enjoy snacks and drinks. This is also when students are invited to paint their hands and put their handprint on the wall in the Broadway Room if they have not done so in the past. We encourage you to join us for this fun, family-friendly evening!

## RECITAL 2025

We are thrilled to have our recital May 16th and May 17th at Westerville Central High School! This is a very important weekend where you get to see all the hard work that your child has put into growing their skills as a dancer! Please make sure to mark your calendars!

## SUMMER 2024

This summer was exciting for Generations. In July, our Ensemble dancers traveled to Orlando to compete at Turn It Up Dance Challenge. We are so proud of them!! We are excited to announce that Jazmin Pfeifer was nominated for an Industry Dance Award for "Saint Honesty". At the end of the month, many had the opportunity to train with Jay Fagan from Chicago and Carlos Neto from New York during our Summer Dance Intensive. Ballet students also had the opportunity to take class from a local ballet professional. In August, several Generations students performed in High School Musical Jr. We loved seeing them use their talents to shine on stage!

Generations is committed to nurturing each and every child throughout the dance training process. We do this through our caring staff and the integrity that goes into each of our programs. We consider each child a precious gift from God. We realize that dance is only a small portion of each of your lives, however sometimes the smallest of things can have the greatest impact on a young child. We appreciate the opportunity to participate in your life and the lives of your children. We also appreciate any feedback that may enable us to make this a great experience for everyone. May God bless your family!

## 1ST MONTH INFO

During the first few weeks of class, all students spend time reviewing what they have learned previously as well as starting to move into new material. It may take a few weeks for each student to feel comfortable in their classes. Please encourage them through this process. The teachers will be paying attention to the placement of each student. If they feel a student needs to be moved, we will contact you about moving them to a class that may be a better fit. Most students will be in the correct class, however, we pay very close attention to each students' progress. If you have any questions or concerns, please leave a message at the desk. We will get back to you promptly. It is one of our goals to make sure each student is in the best class for them individually.

It's going to be an incredible year!
