

RECITAL HANDBOOK 2018

Please make sure you thoroughly read and re-read this packet.

There are several MANDATORY EVENTS that your dancer must attend in order to participate in Recital 2018.

Thank you so much for a wonderful year so far! We are excited to have you join us in our 7th Annual Recital on **Saturday, June 9th, 2018** at the Cailloux Theatre in Kerrville, TX at **1:00pm & 5:00pm!**

For us, Recital is a time to share your dancer's experiences with the closest of friends and family. Our **NEW TICKETPRO SYSTEM** in your Parent Portal will ensure there are enough seats for you and all of your guests. You may purchase tickets either on the Parent Portal, at our Front Desk or send the link to family and friends to purchase on our website. The cost is \$10 per ticket and each dancer will receive **TWO TICKETS** with their paid Recital Fee to the show of your choice. All seats will be numbered and reserved. **Tickets will go on sale Monday, April 2nd at Midnight.** Each dancer receives two tickets with their paid Recital Fee.

The following pages are checklists, schedules and calendars to help you out. Please highlight all of your dancer's events and be on time! Do your best to make sure you are organized so your child can be free to perform his or her best. First and foremost, there is an **Important Dates** page for you to post anywhere, and everywhere, needed (in the car, on the fridge, everywhere!). This page has all the important dates up until SHOWTIME! There are some MANDATORY events that all dancers need to be at. These events have no excused absences. This includes illness and other commitments. This is a rule that stands in all dance studios worldwide. If you do not attend a mandatory rehearsal, your dancer cannot perform. **NO EXCUSES.** Unfortunately, we have had to experience this first hand in the past and it is not a pleasant issue. Please help us out and do not make us have to cut your dancer from a show when they have worked so hard this year!

Next, we have a contest going on! How would you like to win a **FREE SUMMER of camps**? YES, ALL YOUR CAMPS or SESSIONS WOULD BE FREE! Well, it's really easy... we sell Program Ads! Our Recital 2017 Souvenir Program will reach approximately **800-1000 people on a single day.** There is an order form in this packet that you may give to perspective advertisers, your family or friends. How awesome would it be for your dancer to open the program on show day and see a sweet message and picture from you! Local businesses love to be a part of this too! But don't forget, you can place a personal ad! Take it anywhere in town! Check out all the pricing and sample ads located in the back of this packet! This is fabulous advertising, a great way for you to honor your dancer and remember this night forever! (We still look back at our programs from childhood and loving seeing our friends and family!) A sample of our 2017 Program will be available at the Front Desk.

Most importantly, there is a **Dress Rehearsal & Recital Timeline.** This has everything you need to know about where to be and what to bring. This schedule is broken down into an hour-by-hour guide to the rehearsal process. All of these rehearsals are MANDATORY and that is why we are notifying you in advance. Please make arrangements for your dancer and possibly have a back up plan. Again, THERE ARE NO EXCUSES for missing these rehearsals. Remember that this Recital is for all of our students and your dancer missing a rehearsal affects other kids as well.

Finally, the good stuff! There is a **Recital Program Order & Recital Packing Checklist.** Make sure you go through the list weeks prior to the show. You need to make sure you have everything and if you have any questions please email us! We can't help you once we have all arrived at the theatre and we have 220 kiddos to worry about!

Thanks again for all of your time and dedication to your dancer's education! We are so proud of all of our dancers and can't wait to see them shining on that stage! **It's gonna be a great RECITAL!**

Jake McWilliams has been photographing Lonestar Collective Dance's Company Dancers for two seasons. He is a highly sought after Dance Photographer from Arizona who specializes in Powder Shoots and Action Shots.

We know this process is long. Please be patient as photographing almost 200 kiddos in TWO DAYS is very overwhelming for the photographer. Normally he photographs about 30 dancers per day. You are not being charged a sitting fee (\$200) for this service. Please be patient and courteous on this day.

PLEASE NOTE:

All Packages will be pre-paid and include one headshot, one action shot and one class group picture. Dancers not paying for the package in a particular costume will not be included in the class group picture.

Dress Rehearsal Timeline

Friday, June 8th

MANDATORY Dress Rehearsal at the Cailloux Theatre (Kerrville, TX)

SHOW A: Dress Rehearsal

Arrive at the Cailloux Theatre by 4:00pm.

Find the **sign-in table** and check your dancer in. Find your dancer's Dressing Room and dress for your first number.

Dress Rehearsal means just like the show!!! Hair, Make-up, Tights, Costumes... EVERYTHING! Dancers should arrive with their **Make-Up and Hair already done** and ready to put on their costume. There will be photographer during Dress Rehearsal. You must be performance READY!

Parents and Dancers **take a seat in the Auditorium** and wait for rehearsal to begin. Please remember there is no food or beverages allowed in the Auditorium, Dressing Rooms or Hallways. This will incur a Custodial Fee which will be extended to our Lonestar families if needed. Please be tidy!

Dress Rehearsal will begin promptly at 4:30pm with a quick meeting. We will run the Grand Finale first so that dancers can leave after their last number is rehearsed. Everything will be run in the order of the show to allow the lighting designer and stage manager to see, sync and understand the show. We will not stop during Dress Rehearsal. It runs just like the show!

Dress Rehearsal is a **chance for dancers to watch the show**. We will call numbers from the audience ONLY during Dress Rehearsal. They need to be aware of what is next and ready to go. NO PARENTS will be allowed backstage during the actual show. (More information under "Recital Day Timeline")

We will take a **break at Intermission** in order for dancers to understand how much time they have to change costumes. Little ones will get to run their numbers twice if they need help finding their place on the stage.

SHOW B: Dress Rehearsal

Arrive at the Cailloux Theatre by 6:30pm.

Find the **sign-in table** and check your dancer in. Find your dancer's Dressing Room and dress for your first number.

Notes for ALL Performers & Parents

Dress Room Rules & Behavior:

- Dancers behavior in the Dressing Rooms is extremely important.
- There are **designated chaperones, who are volunteers**, that will be assisting dancers during their costume changes on the day of the show ONLY! These volunteers are not there to discipline or babysit. Please remind your dancer that their behavior will be documented and those who can not control themselves will be asked to not participate in performances.
- **No snacks or drinks** will be allowed backstage. These things are detrimental to costumes and dangerous for allergies! Water is allowed in a SEALED container, preferably a no spill water bottle, labeled with a name.

Things to Bring to Dress Rehearsal:

- **EXTRAS** of EVERYTHING!!!! Especially TIGHTS!
- Make sure you have put your **dancer's name in everything** you own. If something is left behind at the theatre with no name, it will go straight to GoodWill... anything with a name will come back to you! ;)
- **Basic Nude Leotard** or Bra & Panty Set: All dancers, Level 3 and under, that changes costumes during the show, must be wearing a nude leotard or nude 2 piece set under all their costumes. Nude Basics can be purchased at Dorothy's Dance Shop. They come in many different types, sizes and colors. Some have built in bras as well. No one is to wear a sports bra, regular bra or panties on the stage. Tights have built in liners for a reason! Less layers the better, especially for little ones who will have to use the restroom! Dancers in Level 4-6 will have closed changing facilities. These are discussions we will be having in class over the next several weeks.
- Make a **DANCE EMERGENCY KIT**: All Dancers in Recital 2018 need to have the following items packed in a "Kaboodoodle" for the performance.

Ponytail Holders

Bobby Pins

Hair Pins

Hair Spray

Gel

Safety Pins

Needle & Thread

Foundation

Powder

Blush (Bright Pink)

Eyeshadow (Dark Neutrals)

Mascara (Black)

Eyeliners (Black, top & bottom)

Lipstick (Deep Red Tones)

False Eyelashes (10+ years old)

Bottled Water

Performance NOTES:

- Please make sure that your dancer has a **well-rested day**. Make sure they eat healthy meals (not heavy) and have high-energy snacks. Adrenaline can wear you out too!
- Please do your dancer's **make-up before arriving** to the theatre. **Do not come in costume!** We like to keep them a secret from the audience. That means no walking around outside of backstage buildings in costume!
- All dancers performing in more than one number, and in levels 3 and under, should be wearing a **nude basic leotard under everything!** This is for the privacy of our dancers. There will be hired stage staff backstage and there are also a stage crew (men) helping with the technical side of the show.

Parent NOTES:

- Please remember that the kids need to listen to the directors. DO NOT give them signals or call their names from the audience during the rehearsal process. They end up trying to find you in the audience instead of listening to directions.
- The stage is a dangerous place and if they walk forward on the stage while trying to find you, they can end up in the Orchestra Pit. They will not be able to see the audience during the show and you don't want them to spend their whole dance trying to find you to help them in the dark!
- Parents of little ones also need to remember that they may not dance the first time they are on the stage. Little kids need to take in their surroundings and know that they are safe in the space. Don't worry about it!
- It's a great experience for them to make sure they don't develop stage fright! Stay calm and remember to continue encouraging them even in the moments of fear.
- A SMILE means a million!

Recital 2018 "Dance to the Music": Costume Requirements Checklists

On the following pages you will find lots of information on what to pack for your dancer. You need to pack all of these things **WITH them, not FOR them!** That way they know where to find things when you are not backstage.

NO JEWELRY ON STAGE:

NO ONE is to wear ANY jewelry on the stage unless directed by an instructor. This is a hazard to dancers as small parts can be very dangerous to dancers in pointe shoes or barefoot. **Parents of Little Ones:** Please remove your child's earrings prior to arriving at the theatre. It becomes very traumatic when it has to be done in the dressing room! No charm bracelets or medical jewelry.

WHY BRAND NAMES?

The colors and variations react different under stages lights. We have requirements that are stated each year under your required Dress Code. We use these same brands for Recital. Please double check that your dancer has the correct shoes and tights INCLUDING the brand and style.

HAIR & MAKE-UP REQUIREMENTS:

We do not require specific make-up for Recital but all dancers need to have on STAGE MAKE-UP.

Regular, day to day make-up, makes them look washed out and ghostly on stage. All dancers will have a single hairstyle for Recital. You must come to the theatre with your hair already done and that way no one has to worry about changing hair while changing costumes. Please see the examples on how hair and make-up should be done.

DANCERS WHO HAVE HATS:

You will be changing your hair to a ponytail for your dance. Please ask your instructor for more details.

DANCERS IN PK & KINDER Combo Hair:

You can do their hair how every you would like but it must be off their face and have no "wispy hairs" to get caught in the lights. The more the hair is back the better we can see their little faces.

DANCERS IN PK & KINDER Combo Make-Up:

These little dancers NEED make-up or they will look like ghosts under the powerful stage lights. Please give them a solid foundation and powder. Lots of blush and red lipstick. If they will let you, eyeshadow and mascara are a MAJOR plus and they can often use a few eyebrows!

HAIRSPRAY, HAIRSPRAY, HAIRSPRAY & GEL!
