## Member Portal

We have initialized a member portal for parents/students. You should have gotten your id and password. If you haven't, let me know and I will resend it. This has all the info about our schools, and you can access it on any web browser, and you may make a thumbnail on your smart phone and you can access it like an app.

## Summer Programs/Batesville starting SOON

### [Dance With Me](#)

We have something for everyone this summer at our Batesville studio! Check out our website ([www.NADT.info](http://www.NADT.info)) for more details or drop us an email.

### New Moms

– We have an exercise class designed for YOU, “Baby &

**Me”!** It will feel so good to get your body moving this summer, all while still being an arm’s reach away from your precious little one. Parents are encouraged to safely ‘wear’ their child in a carrier while they dance and exercise. This will also engage your baby with movement, rhythm, and music. Children ages 3-12 months (non-walkers) will feel right at home in their mother’s arms. If your child is especially wiggly, we will have a designated area for crawlers. Available as Session 1 (June), Session 2 (July), or both.

**Toddler Moms** - This class is for parents and toddlers (ages 1-3) to explore dance together! “**Toddler & Me**” is a fun environment to introduce your child to a classroom setting, while maintaining the comfort of having their parent with them. (Dads are welcome too!) Children will explore a new concept theme each class. Discover music, rhythm, movement, and how to socialize. Available as Session 1 (June), Session 2 (July), or both.

**Dance, Dance, Dance** – Your preschooler needs to stay active! This class is for ages 3-5, with or without previous dance training. Singing, Dancing, and Fitness – Fun! Available as Session 1 (June), Session 2 (July), or both. [More info](#)

Hurry! These classes start June 11.

**Summer Sizzle Tap – June 30 thru July 21**, Saturday morning tap classes! This program has different time slots for ages and all ability levels, and the opportunity for parents

to join in. It also includes a “Work It Wednesday” drop in class as a special bonus. You won’t be able to keep for feet still after learning some of the great curriculum that Ms. Suzanne is bringing back to us from the **Little Rock Tap Fest!** [More Tap Info](#)

## Recital DVDs

Thanks to parents & dancers for 5 stellar recitals. A special thanks to Hannah for her creative genius! She is so special, and we are so blessed to have her!

prepare one for you. They are \$25 for the 1<sup>st</sup> dvd and \$10 for each subsequent one. Add \$3 if you want it mailed to you.
