4. From the next page click on the big “Go to My Class” button. This will take you to the Zoom app. If you have not downloaded the Zoom app, you will be prompted to do so. You can also download the app through the app store on your phone or tablet or at <https://zoom.us/download> on your computer.

If the teacher has any additional instructions about how to prepare for today’s class, you’ll also see that on this page.

## ONCE YOU’RE IN ZOOM...

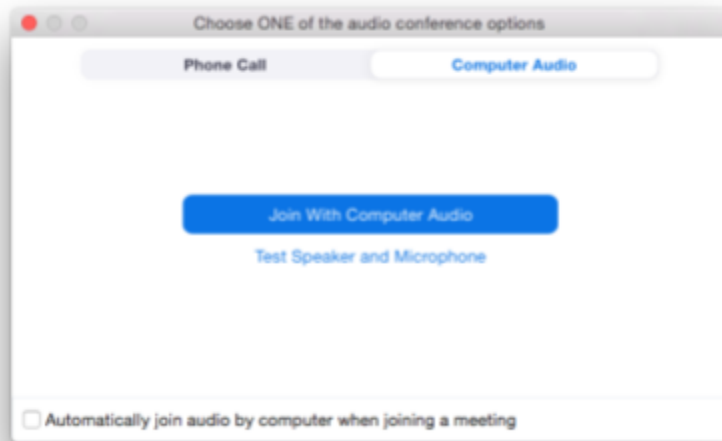

1. If you join before the teacher does, you’ll see this window.

2. Once the teacher starts the class, select “Join With Computer Audio”

3. Once you've joined the call, hover at the bottom to reveal a menu of different options. Click the “Mute” button to turn your microphone on and off and click the “Start Video” button to turn your camera on and off.

4. You can also click the up-arrows next to the Microphone and Video buttons for more options.
5. You can also use the “Chat” button to talk to your teacher and classmates!
