Dear 4SDA Parents,

Happy Holidays! We hope you all are enjoying a safe and wonderful winter break! Please read this entire email as it contains important news and updates.

As a reminder, classes will resume Monday January 4th, and monthly tuition will be processed on January 1st. The first week of class will be held online only as we all get settled back into our schedules and routines after the break. In addition, there will be some minor adjustments to the schedule (shortening some classes, adding additional classes), and Ms. Shay will reach out to you if your student's class will be affected and the monthly tuition will be adjusted accordingly.

After careful consideration, speaking with our teachers, other studio owners, and consulting the County and a handful of parents who are professionals in the health care industry, we have decided we will hold the first week of classes (January 4th -9th) virtually over Zoom and plan to return to in-studio classes on January 11th. As many of you know, the Poway School district (among others) will also be moving classes back online. The bottom line remains the same, the health and safety of our faculty and students is our top priority, and we feel this is the safest way to have our students get back to dancing and in turn get back into the studio after possible exposure from holiday gatherings.

We have already prepped our teachers and they continue to train and work to ensure our students will be engaged in a fun, creative, learning environment, both online and in socially distanced in the studio as well! They love your dancers and can't wait to see them after the break!

Thank you so much for your continued patience and understanding! 2020 has been a trying and difficult year for us all and we are blessed to have you all in our 4SDA family. Together, we have made it this far, and together we will get back to the day when students are dancing outside the box with beaming smiles that we can all see! Cheers to 2021!

Sending lots of love, and Happy New Year!!
