Dear Parents and Dancers,

I would like to welcome you to Spotlight Studio by Stacey Kabasinski, Inc. It has always been my dream to provide the Erie community with the highest quality of dance training in a fun, positive environment.

I have a BA in Dance from Point Park University, which is one of the top ranked performing arts programs in the country. While at Point Park, I studied everything from classical ballet to hip hop to Broadway jazz. Upon graduation, I taught for various local schools and recreational programs until September of 2004, when I opened Spotlight.

As we begin our 22nd season, I am confident that each and every dancer will enjoy the highest quality of dance training through the dedication of our certified staff. Our teachers are life-long learners who continue to educate themselves through dance teacher training schools, accredited workshops and other continuing education seminars.

I would like to personally thank you for choosing Spotlight Dance Studio. Welcome to the Spotlight family!
