MIDNIGHT MADNESS + OPEN HOUSE!

Can you believe it's October!? Fall is officially upon us and we are so excited about our Midnight Madness performance as well as our Open House on Friday October 24th! The performance will be at 6pm outside of the studio with the Open House directly afterwards. This is a great opportunity to meet your child's teacher and classroom assistants and mingle with other GEN-PAC families. Every GEN-PAC student is also invited to become a part of Generations history and paint their handprint on the wall if they haven't already done so! This is a very fun tradition and we hope to see you there!

DANCE DANCE DANCE DANCE

We are off to an incredible start!! The classes are going well and students seem to be settling into their classes. As we continue to move forward on technique and conditioning, we will be looking toward costumes and recital dances. In the next month, we will be ordering costumes and planning ahead for pictures and recital! Although pictures are not scheduled quite yet, we generally do them in late February or early March. This allows for pictures to be back in time for the recital program. Costumes generally begin arriving in late December, early January. This year our recital will be May 15th-17th. The exact schedules for the recital are typically available following spring break! We hope this year will be full of fun and expert training for your children. Please don't hesitate to contact us with any questions or concerns throughout the year. One of our goals is to constantly be improving and we can only do that with the help of all Generation's families!!

Christmas for the Generations: A Holiday Spectacular

Our annual Christmas Production will take place on December 12th + 13th. The story of Christmas as well as the hustle and bustle of the holiday season is the theme of this phenomenal show. Singing and dancing and a group of dancing reindeer show up too! Plan now to spend the day with your children, celebrating family during this exciting time of the year! We can't wait to help your family get in the Christmas spirit! Scan the QR code for tickets!

Dress Up Week

All students are invited to dress up the week of October 20th - 24th in honor of Halloween the following week. Some examples of dress-up include (non-scary) halloween costumes, old dance costumes or fun accessories over regular dance attire! We ask that all students wear a leotard and tights underneath their costume so that they can fully participate in the class. This is always such a fun week!
