from studio only

EXAMS @ SRSOD

When you watch our older dancers on stage you see great technique combined with performance experience from many years of performing on stage at concerts and troupe competitions. What you don't see is the behind the scenes work that goes on for years through our examination program with Comdance.

Students have the opportunity to gain accreditation in dance through completing exam levels and then going on to achieving a teaching certificate or diploma! They may also choose to become an examiner or adjudicator themselves one day! There are so many benefits to students doing exams:

- Structured lessons
- Technical development
- Strength and flexibility
- Improved confidence
- Personal accountability
- Personal achievement
- Smaller class sizes
- More focused improvement
- Accreditation

We run examination classes in Classical Ballet, Jazz, Tap, Musical Theatre and Contemporary!

Examinations are in July/August and are held at SRSOD Studios with an interstate examiner. Students attend weekly classes and, if ready, are entered for their examinations and then progress to the next grade.

SRSOD has two awards for examination excellence which are awarded to the students who achieve the highest marks across at least 3 disciplines. Comdance also awards outstanding students across the state each year and we have been fortunate to have students receive these awards most years.

Examination students do not perform routines at the Mid Year Concert but the Ballet examination students perform in a stunning group ballet item, in tutus, for the end of year concerts and all other exam students have the opportunity to perform in our fabulous Opening item each year! Most students will attend general classes in addition to their exam classes so they can perform onstage.

Want to find out more? Please send us an email and we can suggest the right classes for your child.

COMPETITION TROUPES @ SRSOD

Every year we give students the opportunity to audition for our performance teams! These students work as a team together in Term 1, 2 and 3 to create routines to perform at competitions. It's a great program that produces truly great performers and the buzz of a collective achievement.

In 2026 we will be running an Under 13 and an Under 17 troupe. Classes are on Saturday morning and afternoon.

Our teams have been selected for 2026 but we are still working through online submissions so if you were unable to attend the audition and would like to apply please contact us!

TROUPE INFORMATION

We will be doing the following competitions:

- SFD Comps - Sat 27th and Sun 28th June at The Round
- Southern Dance Festival - Sat 12th and Sun 13th September at The Drum
- West Gippsland Dance Festival - Sat 19th and Sun 20th September at the West Gippsland Arts Centre

Students will also perform their routines at the Mid Year Concert!

Cost for troupe - there are no extra costs for troupe this year, you will receive your costumes and your competitor passes for comps, as usual, and there is no registration fee! This is all covered in your class payment structure.

*Students should be attending two technical classes a week plus a general jazz and contemporary class as minimum requirement for troupe
