

Show Assignments - June 6, 2026

Use the document below to locate which show your student will be participating in. Show assignments are designed to accommodate the majority of our NAOD families. However, if your student(s) are enrolled in 2 or more classes and/or attend classes on multiple days, they may be in more than one show. Most students who take 2 or more classes love show day and fully embrace a day of dance! Families get the unique opportunity to see their dancers shine on stage multiple times.
