Please X on the chart below the week(s) you plan to be ABSENT.

Note: You are not required to attend all six weeks of classes. Summer is the only time you are allowed to pick a flexible schedule. We do encourage you to make a commitment for as many summer classes as you can. By committing in advance, you are helping your dancer to be consistent in their training! We understand that families travel during the summer, but when you are in town, your child will make better progress and retain what they have learned both mentally and physically by taking summer classes.
