# SHOWCASE WEEK REHEARSALS AND PERFORMANCES

**All Spacing Rehearsals are MANDATORY!**

**Please note the location of your Spacing Rehearsal.** This year classes level 5 and up, including open division, will have their spacing rehearsal in Studio 1 at CVDA. Children's Division - Level 4, and Adaptive Dance will have their spacing at the theater.

**Spacing Rehearsals** are a vital time that allows teachers time to work with individual classes and make any necessary adjustments to the new space. Dancers may wear their typical class attire and hair for these rehearsals. Please check the schedule and make sure that you are aware of any spacing rehearsals for EACH CLASS that your dancer is enrolled in.

For spacing rehearsals at the theater, parents of dancers under 16 **MUST STAY** in the auditorium until the spacing is over. We do not have chaperones for spacing rehearsals. Parents/Guardians should sign-in at the stage door, enter the auditorium with their dancer, and find the designated section for their class. Dancers will remain with their parent/guardian until called to come backstage.

Spacing Rehearsals are CLOSED rehearsals, ONLY parents/guardians of dancers will be permitted in the auditorium. Please remember to keep the auditorium quiet as to not distract the dancers.

**NO FLASH PHOTOGRAPHY** is permitted during rehearsals.

**NO FLASH PHOTOGRAPHY OR VIDEO RECORDING** will be permitted during shows.

## Arrival Instructions

Dancers must enter through the stage door at the Carpenter Theater. (212 N. 7th Street entrance)

### SIGN IN/OUT INSTRUCTIONS

Sign in/out will happen at all theater spacing rehearsals, and the day(s) of the show. Dancers will sign in at the stage door, and will either be directed to the auditorium for spacing rehearsal, or to their assigned dressing rooms for shows. ALL DANCERS under 16 years old will need to be signed in/out by the same parent/guardian.

Dancers in the Children's Division and up to Level 3 will be signed in twice; once at the stage door entrance, and again with the Room Volunteer in their assigned dressing room. Dancers will stay with the dressing room volunteer until they are signed out at the end of their show. **IMPORTANT SIGN IN/OUT PROCEDURE FOR SHOWS** - With your dancer's safety in mind we will be checking IDs when you come to pick up your dancer after the show. Please write your name on the sign in sheet, and have your photo ID ready at pick up. Thanks for your help in this safety measure!

Please find your dressing room, get dressed, and remain in the dressing room with your chaperone. You will be called to stage when it is time to perform. **Parents, please do not leave until you have checked your dancer in with the room volunteer!**

## Carpenter Theater Food Rules

The Carpenter Theater will NOT allow food to be delivered to the theater due to their contract with their on-site caterer. They will, however, allow us to pack lunch/dinner and bring that in for dancers backstage.

## HAIR and MAKEUP

### Children's Division -Level 2

#### High Bun, NO Part

### Level 3 and Up

#### Low Bun, Middle Part

-I find it is helpful to spray water on their hair, and put gel in it before putting it in a ponytail.

-Use a smoothing brush to smooth away any bumps, and gel and spray any wispy hairs back toward the hair tie. Make sure to gel or spray bangs back.

-Depending on what works best for your dancers hair create their flat, wide bun. (2 sections like a cinnamon bun works well if their hair is thick and/or long, doing one twist if they have thinner hair, or spreading it out like a flower to go around if their hair is shorter)

-Don't use clip triangle clip barrettes as they catch the light on stage.

-Finish with a hair net (one or two times around is plenty, and secure the rest under the bun), and one more round of hairspray.

Makeup should be personalized for your dancer, but you can see the finished look on a younger dancer here. (Bottom Left photo in grid)

Their make-up should include:

- Foundation
- Setting Powder
- Possibly concealer or primer for eyelids
- Berry or Rose colored Blush
- Eyebrow definition for light brows (could be powder, pencil, or gel)
- Eyeshadow
  - Light highlighter color from lashes to brows, darker neutral in rainbow shape in crease and at outer corner, lighter shimmer color on center of lid.
- Black eyeliner
  - The easiest way to do this for the little ones is to use a flat angled brush and black eyeshadow. This will follow their whole upper lid, and the outside 1/3 of the bottom.
- Mascara
  - Older dancers may wear fake lashes
- Berry or Rose colored Lipstick (I also suggest lining and filling in lips with a lip colored liner, it helps the lipstick stay for a longer time)
