# TRIAL ENROLL UNIFORMS!

Now that you've trialed the class, it's time to dress the part!

Uniforms not only help instill discipline in our students, but give our instructors the ability to correct technique and form without any obstructions. It also helps our staff identify and ensure that your student is going to the right class.

We truly value **safety** at Destination Dance Hawaii. When you are dancing in the right gear, you are keeping your body safe!

Our intent is to save you time and money by taking out the guesswork. All items have been ordered from reputable vendors with well-made products that last!

We are extremely proud of this catalog as it features **all** Destination Dance Hawaii students as our models. Thank you to Romeo Collado, our official studio photographer, and Ericka Jones, our Social Media Curator, who designed this terrific catalog.
