DANCE ON FILM
In addition to on-camera training, dancers will participate in a choreography component where they can create their own movement—either on themselves or by working with other dancers.

The camp will also include opportunities to film combinations and capture content, giving dancers tangible takeaways and real experience working in front of the lens.

SCAN TO REGISTER NOW!

A non-refundable deposit will be due upon registration to save your enrollment for all camps. The remaining camp fee will be due on the first day of camp. In the event that any camp must be cancelled due to unforeseen circumstances, MDM will refund all deposits and any payments made towards tuition.
