# Powerhouse Production Team

**Wow! What an amazing season you had! We started off the year strong landing the Top Scoring Studio, judges stand out awards, overalls and high scores at Energy. Moving through with momentum, you managed more high scores, judges special awards AND the Positive Studio Award at Positive vibes! We wrapped up with a major BANG at Precision Arts Challenge coming home with the highest scores of the season for almost all our routines, multiple overall placements, judges awards, AND PAC Attack Call Backs! All of the amazing accolades to be said, you handled it all with grace, poise, kindness, and great sportsmanship. Hearing you cheer each other on and congratulate one another (and other studios) made us beam with pride. Proud is an understatement!**

**Thank you for your teamwork, continued hard work, dedication, and growth.**

**It didn't get easier, you got stronger!**

**TEAMWORK MAKES THE DREAM WORK**

# SENIOR DANCERS

ARABELLA DELUCA

**Arabella's Favorite Dance Memory:** "Winning a judges award, a nationals opening number invite, and first place for my solo at positive vibes this year."

**A Piece of Advice from Arabella to Younger Dancers:** "Messing up is not the end of the world, just feel yourself and enjoy every moment you have on stage"

**Arabella's Plans After High School:** I plan on attending Mizzou for a major in health sciences and a minor in business.

CHARLOTTE TALLEUR

**Charlotte's Favorite Dance Memory:** When I was little and my older sister Gracie would do my makeup for me.

**A Piece of Advice from Charlotte's to Younger Dancers:** My advice to all young performers is don't be afraid to look stupid.

**Charlotte's Plans After High School:** I will be attending Wichita State University and majoring in Musical Theater.

HANNAH BAKER

**Hannah's Favorite Dance Memory:** My favorite dance memory was when I came into Saturday morning ballet class with paint and paintbrushes. I covered the star that I painted on the UDS canvases because my friends kept pointing out how ugly it was (I agreed with them and finally decided to fix it).

**A Piece of Advice from Hannah to Younger Dancers:** Always be gracious. Dance is something that we share. Oftentimes, life moves so fast that we forget to take a step back and appreciate those who have supported us along the way. Remember to stop every once in a while and think about the people in your life who deserve appreciation. At the end of every class, thank your teachers because they work harder than you know to set you up for success. Uplift your friends and remind them that they are strong and special to you. And, please, NEVER yell at your mothers!!! As a dancer, you will accomplish many great things with the help of others, so always show gratitude for those who guide you.

**Hannah's Plans After High School:** I will attend Mizzou to major in Biology on the Pre-Dental track. I will study with Mizzou's Honors College, and I hope to explore future career options in Dental Medicine.

LAUREN LAUFFLER

**Lauren's Favorite Dance Memory:** My favorite dance memory is my first jazz class in eighth grade. I loved getting to meet everyone and dance again which I had wanted to do for so long!

**A Piece of Advice from Lauren to Younger Dancers:** My advice for younger dance is to have fun! Always work hard and find the smallest joys, even when it seems like there is none.

**Lauren's Plans After High School:** After high school I plan on attending Southeast Missouri State University (SEMO) and double majoring in Elementary Education and a Theatre BA. I hope to continue being a part of choir and participate in a variety of different theatre performances.

RJ RUMMEL

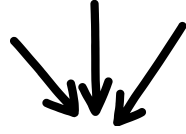

**RJ's Favorite Dance Memory:** Sitting in the audience cheering on my friends and supporting my team.

**A Piece of Advice from RJ to Younger Dancers:** My advice to younger dancers is just to go for it. If you feel like you want to try something, try it. You'll never know if you'll like it until you give it a shot.

**RJ's Plans After High School:** After graduating I plan to attend Wichita State University to major in psychology in hopes of becoming a mental health counselor.

*To Our Seniors: Thank you for spending your dance years with us. Your unique energy, vibes, and talents have made their mark on us all. We will miss you dearly! Never forget: YOU can do anything you set your mind to. The tough times are only temporary. Strength comes from struggle. Be true to you. **It doesn't get easier, you get stronger.** Persevere and push onward - you each have incredibly bright futures ahead and we are honored to have been a part of your journey! Congratulations Dancers!*
