

Tuition Pricing 2026 – 2027 Season

Registration fee - \$35 per person. \$20 per additional family member.

Tuition is based off the year in full and divided into 10 equal payments.

Please note that our multi-class discount is applied on a per-student basis, not per family. Each student must be individually enrolled in more than 1 class to qualify for the discount.

Our Leap Ahead program does not fall under the multi-class discount. It is a separate program that includes additional fees/expenses that are built into the pricing that cannot be discounted.
