

Clarion Center for the Arts

2026 Charity Fundraiser

Student's Name and Sparkler House: _____

Cause: Love Thy Neighbor | Organization: Love INC Clarion County

As members of the Sparkler Dance Masters Team at Clarion Center for the Arts, we are raising money for Love INC of clarion County, a non-profit 501(c)(3) organization that fosters collaboration among churches to combine their resources in serving their neighbors. Love INC of Clarion County is one of more than a hundred Love INC locations across the United States and Kenya, who partner with over 7,800 Christian churches to serve hundreds of thousands of people in need.

As we prepare for our dance competition, we are raising money for this charity because we recognize that giving back to our community and those less fortunate than us serves a higher purpose than competition itself. We want to make a difference through our dancing. As a donor, your name will go on the back of my Sparkler T-shirt for this year! Our donor tiers are affectionately named after the levels of awards we can receive at competition. Thank you for partnering with us to make a difference in our community!
